

PART 2: GETTING INTO AND OUT OF THE CAB AND FRAME ACCESS

CONVENTIONAL: The picture below shows the best way to enter and exit a Conventional Cab.

Door Lock and Keys

Doors can be locked from the inside by using the lock button. Close the door then push the button down to lock. Doors automatically unlock when you open them from inside, and can be locked from the outside with the key only.

WARNING! To lessen the chance and/or severity of personal injury in case of an accident, always lock the doors while driving. Along with using the lap/shoulder belts properly, locking the doors helps prevent occupants from being thrown from the vehicle.

To lock or unlock the doors from outside the cab, insert the key in the lock. Turn the key toward the rear to lock; forward to unlock.

Peterbilt Service Manual 2008

L Reisser
