

SOME FINAL WORDS

In order to provide and maintain a pollution-free environment, always beware of giving off too much noise, mechanical interference, or exhaust fumes. Do not attempt to modify your moped or its equipment in any way from original factory standards.

And remember that a PEUGEOT Moped should be serviced only by your PEUGEOT dealer. Only your dealer knows all the parts and mechanical operations of the Moped and has the tools necessary to perform complete service and maintenance operations. Depend upon him to insure your continued safe and comfortable riding.
