Odin's Sag Odd Haugan, 2011-08-01 Set in the adventurous and epic world of Vikings Odin's Saga tells the story of a legendary hero and his brave quest to create a nation. The Viking homeland of Heimdal is attacked and almost conquered. Odin, their first King and founder, tells the old King Halvtan in a dream that in two generations they will be attacked by hordes of tribesmen. Torleif becomes king when Halvtan dies. To rouse his people, Torleif tells them Odin's Saga. The reader too experiences the inspiring story of Odin, the 14-year-old survivor of a Tsunami, who wanders inland and finds a group of people in need of his help. Odin kills his robbers, avoids enemies, then rescues and marries princess Varna. Varna has his son, and Odin frees a whole village of women and children who make him King of their nation. Travelling west, a few good men join them, but many women are without a man. Their Council decides that Odin must take concubines in order to have children for their future nation. As they travel over mountains, seas, and vast flatlands, will Odin and his people be able to reach their Promised Land of Heimdal? Can Odin survive an attack by local tribesmen?
