Tsetskhladze,2021-11-15 *The Sensuous Cinema of Wong Kar-wai* Gary Bettinson,2025-03-20 The widely acclaimed films of Wong Kar wai are characterized by their sumptuous yet complex visual and sonic style Bettinson argues that Wong s films from Days of Being Wild and Chungking Express to In the Mood for Love and The Grandmaster are permeated by an aesthetic of sensuousness and disturbance achieved through techniques such as narrative disruptions jarring cuts the blocking of facial access and other complex strategies The effect is to jolt the viewer out of complete aesthetic absorption

This tenth anniversary edition of *The Sensuous Cinema of Wong Kar wai* includes a substantial new afterword bringing the story of Wong s career up to date including reflections on the mainland Chinese drama *Blossoms Shanghai* Bettinson revisits and extends the arguments of the first edition surveys the recent key debates on Wong s filmmaking and introduces fresh lines of critical investigation Gary Bettinson s *Sensuous Cinema of Wong Kar wai* is a major step forward in our understanding of this director Bettinson scrutinizes Wong s unique place in world film culture his unusual production methods and his debts to several cinematic traditions both Asian and European A close examination of Wong s style shows in unprecedented depth how these lyrical apparently loosely constructed films are underpinned by a strong formal and emotional coherence The result is an unequalled study of a filmmaker whose work from *As Tears Go By* to *The Grandmaster* has redefined contemporary cinema David Bordwell University of Wisconsin Madison Seldom has the sensuous been subjected to such a scientifically rigorous and yet moving account as Gary Bettinson s analysis of Wong Kar wai Chapter by chapter the logic of specific choices underpinning Wong s cinema produces a sense of revelation perfectly complementing the intense pleasures of watching the films In this second edition Bettinson focuses on the actor s work a stroke of genius for understanding an oeuvre where body language and gesture are so crucial Chris Berry King s College London In this essential study of acclaimed filmmaker Wong Kar wai Gary Bettinson exquisitely captures the director s cinematic sensorium and digs deep below a seductive visual surface to uncover a creative roughness that disturbs narrative and generic expectations Three cheers for this updated edition Gina Marchetti author of *Citing China Politics Postmodernism and World Cinema* [The Social Context of Birth](#) Gurcharan Rai,2017-09-07 Greatly expanded revised and updated with an entirely new chapter on disability *The Social Context of Birth* Second Edition provides an essential understanding of how social issues affect midwives the birth process and motherhood Childbirth is much more than a biological event or a set of case notes No one has an uneventful pregnancy and women seek narratives through which they can explain and try to make sense of what has happened to them This is often neglected in the relentlessly technocratic modern culture of childbirth Appreciating the social context surrounding an individual enriches the understanding a midwife must have if she is to work successfully alongside a woman and her family throughout a pregnancy and birth in an insightful intelligent and informed manner This comprehensive guide provides countless valuable insights for midwives nurses obstetricians and health visitors into the many different lives experiences and expectations of women in their childbearing years their babies and families in the 21st Century Written by a team of highly experienced health professionals it also covers contentious areas of maternity care such as new reproductive technologies and fetal surveillance **Canadian Books in Print.
