Freud's Papers on Technique, 1953-1954 Jacques Lacan, 1991 A complete translation of the seminar that Jacques Lacan gave in the course of a year's teaching within the training programme of the Société Française de Psychanalyse Essential Papers on Literature and Psychoanalysis Emanuel Berman, 1993 In a draft attached to a letter to his friend and confidante Wilhelm Fliess May 31 1897 Freud develops an idea The mechanism of fiction is the same as that of hysterical fantasies He supports this thought with a brief analysis of the biographical sources of Goethe's Werther A few months later on October 15 1897 Freud mails Fliess a detailed account of remembered events from his childhood that Freud believed underlined the universality of Oedipus Rex and Hamlet Freud's foray into literature initiated the beginning of a new critical approach In Essential Papers on Literature and Psychoanalysis Emanuel Berman presents classic and contemporary papers written at the intersection of literature and psychoanalysis In bringing these essays together Berman traces the development of a discipline that has often been plagued by a polarization between self-confident single-minded psychoanalysts reading literature as a series of case studies and literary loyalists who cling to manifest content or to the declared intentions of the authors accepting them at face value and depriving the work of its emotional complexity Berman covers the full range of old and new perspectives and presents selections from today's mature phase This collection includes papers by Sigmund Freud Steven Marcus Patrick J Mahoney Donald Spence Otto Rank Ernest Jones Ernst Kris Phyllis Greenacre Florence Bonime and Maryanne Eckardt David Werman Ellen Handler Spitz Jacques Lacan Shoshana Felman Norman N Holland Roy Schafer Meredith Anne Skura Gail S Reed Francis Baudry Rivka R Eifermann and Bennett Simon **Wordplay and Powerplay in Latin Poetry** Phillip Mitsis, Ioannis Ziogas, 2016-07-28 The political allegiances of major Roman poets have been notoriously difficult to pin down in part because they often shift the onus of political interpretation from themselves to their readers By the same token it is often difficult to assess their authorial powerplays in the etymologies puns anagrams telestichs and acronyms that feature prominently in their poetry It is the premise of this volume that the contexts of composition performance and reception play a critical role in constructing poetic voices as either politically favorable or dissenting and however much the individual scholars in this volume disagree among themselves their readings try to do justice collectively to poetry's power to shape political realities The book is aimed not only at scholars of Roman poetry politics and philosophy but also at those working in later literary and political traditions influenced by Rome's greatest poets Philological Studies West Virginia University, 1987 **Selected Papers of Salman Akhtar** Salman Akhtar, 2023-06-01 Salman Akhtar is a Professor of Psychiatry a Training and Supervising Analyst a member of numerous editorial boards winner of many awards including the highly prestigious Sigourney Award a writer of several hundred articles a poet and the author or editor of over one hundred books A modern day Renaissance man his elegant writing is simultaneously scholarly and literary and brings a light touch to profound material Phoenix Publishing House is proud to present his most inspiring works in a stunning ten
