Wytchfire Michael Meyerhofer,2014-06-22 In a land haunted by the legacy of dead dragons Rowen Locke has been many things orphan gravedigger mercenary All he ever wanted was to become a Knight of Crane and wield a kingsteel sword against the kind of grown horrors his childhood knows all too well But that dream crumbled replaced by a new nightmare War is overrunning the realms an unprecedented duel of desire and revenge steel and sorcery And for one disgraced man who would be a knight in a world where no one is blameless the time has come to decide which side he's on **Tribute to a Trilogy** James Blackthorne,2014-10-09 James Blackthorne has composed a complex puzzle with a strange adventure as the centerpiece this book is the result of three stories based on the idea that people however eccentric are passionately committed to one another in a struggle to keep the lifestyle they love Memories magic and even murder lies in wait as they endure their travels throughout the cosmic realms When the chapter begins we discover that the finest mind in the known world has died This mysterious character is a Grand Wizard called Leon Davith His only heir and successor is also his greatest creation a self-aware Golem by the name of Bardson Wolf He'll be faced with adversaries and dilemmas that threatened to test the very steel that comprises his magic soaked form Join him on his journey of self discovery even as the forces of chaos seek to unmake the very world he only wishes to see preserved After reaching midway in the fast moving chapters Bard has long been in retirement ever since his journey of self discovery came to an end now content to carry on research on the matter of summoning in the Nine Moons that fuel that Summoning he unlocks powerful foe that he has to hastily seal away for fear of the destruction that it might cause Perhaps the highlight of these adventures are the final chapters that feature the title *Thunder at Dawn* Threshold of the Unknown Within this thrilling sequence Bard Quill Erin and Leda seek to undo the nightmare that their own negligence ultimately visited upon the world and through it all a mysterious Plague strikes unwary citizens corrupting them with darkness and madness telling them after they've spent the better part of the year has monsters spreading the mysterious illness and dealing death to any fall victim to their talons But in their way are the Five Commanders of the Black Legion including an enigmatic Black Warrior wearing a Golden eye patch called the White Wolf this foe is an unstoppable force to be reckoned with Observe how he dogs the steps of the heroes every chance that presents itself Will the world die a slow choking back under the federal rule of the demon Lord known for causing the slow extinction of the entire world's in his cruelty or will the red warrior find the ultimate weapon in time and bring about an

end to the dark Prince And just who is the mysterious red warrior who rides and Emerald Bird And why does he seek the Greatest Sword in the known universe Thunder at Dawn **Bardson Wolfe** James Blackthorne, 2014-07-28 The author James Blackthorne portrays his characters as having a strong fighting spirit The main emphasis is on a character referred to as Bardson Wolfe He is the son of the grand wizard Leon Davith Bard is a Glorious Golum that faces overwhelming odds in this well placed adventure The bronze Golum remains true to his ideals and takes a firm commitment to his father despite every setback Leon returned to the room with the large mirror The pen was still lying on the desk He sat down with his son Bard and explained how generations upon generations born into the Black Army culture rose to die None questioned it none cared and their culture was founded around the ideal of slaughter of merciless battle They knew nothing of cities save for the ones they razed and when none would challenge or oppose them in their great power they would challenge themselves battling their own ranks for the sake of maintaining the slaughter Eventually this self sustaining death machine this device of war mutated into the ones that were known today as the Black Army The Army was the result of the chaotic masses suddenly coming Some called them the black ones others Shadow lords None dared to call them a friend It was here that battle was fought daily not for the sake of any ideal or concept but due to the sheer boredom the armies had amassed for many ages long since born into the culture of war a civilization forged from death new lord was proclaimed A far more savage brutal and intelligent lord than the Black Army could have ever hoped for And this new high general began creating a bastion for the otherwise vagrant army of darkness and once it had been devised he took a name fitting his status and power Malakaezar the Black Dragon head of the army of darkness But he wasn't content to merely let his army settle into the Dark Continent as his predecessor had and hungrily this rogue turned his gaze to the lands beyond licking his lips at the unfazed lands just Bardson Wolfe the high golem was up to Screaming as those heads fell over them the black warriors perished then and there at the hands of the Sarganatas Hydra a horrific monster that planted itself into the ground waiting for prey to come to it Born to destroy born to kill raised from the youngest available age to kill or be killed to devote oneself to senseless bloodshed And no god could hold sway over their hearts They knew for many were those who had been attacked by divine magic intended to sway their hearts away from what the majority of the warriors considered to be their true purpose However to a black warrior such as divine magic was simply considered a jest for gods could never exist within their hearts They were immune to holy intervention though it had been tried many times Most if not all the warriors were so resilient to divine magic and spells that a single warrior could weather out a smite spell considered to be the strongest of Divine Magic because the God connected to it was the one attacking **The Valley of Dragons** Pearce DeChamplain, 2023-01-20 The Valley of Dragons By Pearce DeChamplain About the Book WHAT'S MORE IMPORTANT HOW A MAN SEES HIMSELF OR HOW OTHERS SEE HIM This is the question Septimus Regulus Willo has been asking himself since the fateful day when the world wrote him off as a monster Septimus's dream was to be loved and protect the innocent but after an unfortunate roll of fate his honor is
