Meyers, 2020-02-14 Extraordinarily Ordinary offers a critical analysis of the production of a distinct form of twenty-first century celebrity constructed through the exploding coverage of reality television cast members in Us Weekly magazine Erin A Meyers connects the economic and industrial forces that helped propel Us Weekly to the top of the celebrity gossip market in the early 2000s with the ways in which reality television cast members fit neatly into the social and cultural norms

that shaped the successful gossip formulas of the magazine *Us Weekly*'s construction of the extraordinarily ordinary celebrity within its gossip narratives is a significant symptom of the broader intensification of discourses of ordinariness and the private in the production of contemporary celebrity in which fame is paradoxically grounded in just being yourself while simultaneously defining what the right sort of self is in contemporary culture

American Popular Culture in the Era of Terror Jesse Kavadlo, 2015-09-15 Bringing together the most popular genres of the 21st century this book argues that Americans have entered a new era of narrative dominated by the fear and wish fulfillment of the breakdown of authority and terror itself Bringing together disparate and popular genres of the 21st century American Popular Culture in the Era of Terror *Falling Skies* *Dark Knights Rising* and *Collapsing Cultures* argues that popular culture has been preoccupied by fantasies and narratives dominated by the anxiety and strangely the wish fulfillment that comes from the breakdowns of morality family law and order and storytelling itself From aging superheroes to young adult dystopias heroic killers to lustrous vampires the figures of our fiction film and television again and again reveal and revel in the imagery of terror Kavadlo's single author thesis driven book makes the case that many of the novels and films about September 11 2001 have been about much more than terrorism alone while popular stories that may not seem related to September 11 are deeply connected to it The book examines New York novels written in response to September 11 along with the anti heroes of television and the resurgence of zombies and vampires in film and fiction to draw a correlation between Kavadlo's Era of Terror and the events of September 11 2001 Geared toward college students graduate students and academics interested in popular culture the book connects multiple topics to appeal to a wide audience

Ike's Mystery Man Peter Shinkle, 2022-01-18 The Cold War The Lavender Scare and the Untold Story of Eisenhower's First National Security Advisor President Eisenhower's National Security Advisor Robert Bobby Cutler working alongside Ike and also the Dulles brothers at the CIA and State Department shaped US Cold War strategy in far more consequential ways than previously understood A lifelong Republican Cutler also served three Democratic presidents A charming raconteur he was a tight lipped loyalist who worked behind the scenes to get things done Cutler was in love with a man half his age naval intelligence officer and NSC staffer Skip Koons Cutler poured his emotions into a six volume diary and dozens of letters that have been hidden from history Steve Benedict who was White House security officer Cutler's friend and Koons' friend and former lover preserved Cutler's papers All three men served Eisenhower at a time when anyone suspected of sexual perversion i.e. homosexuality was banned from federal employment and vulnerable to security sweeps by the FBI This gripping account reveals in fascinating detail Cutler's intimate thoughts and feelings about US efforts to confront Soviet expansion and aggression while having to contend with the reality that tens of millions of people would die in a first nuclear strike and that a full nuclear exchange would likely lead to human extinction And Shinkle recounts with sensitivity the daily challenges and personal dramas of a small but representative group of patriotic gay men who were forced to hide essential aspects of who they were

in order to serve a president they admired and a country they loved *Harry Styles* Tammy Gagne,2019-07-04 British superstar Harry Styles rocketed to fame around the world as a member of the pop music group One Direction The band had formed in 2010 while its members were competing on the televised talent competition The X Factor After ruling the pop music charts for several years and selling out nearly every concert they played the group decided to call it quits in 2015 But Harry was far from done with the music business He wanted to pursue a rock music career on his own Today he is a successful solo music artist as well as a promising actor

Jucan,2023-08-08 In *Malicious Deceivers* Ioana B Jucan traces a genealogy of post truth intimately tied to globalizing modernity and connects the production of repeatable fakeness with capitalism and Cartesian metaphysics Through case studies that cross times and geographies the book unpacks the notion of fakeness through the related logics of dissimulation deception and simulation performativity as seen with software AI television plastics and the internet Specifically Jucan shows how these dis simulation machines and performative objects construct impoverished pictures of the world ensuring a repeatable sameness through processes of hollowing out embodied histories and lived experience Through both its methodology and its subjects objects of study the book further seeks ways to counter the abstracting mode of thinking and the processes of voiding performed by the twinning of Cartesian metaphysics and global capitalism Enacting a model of creative scholarship rooted in the tradition of writing as performance Jucan a multimedia performance maker and theater director uses the embodied I as a framing and situating device for the book and its sites of investigation In this way she aims to counter the Cartesian voiding of the thinking I and to enact a different kind of relationship between self and world from the one posited by Descartes and replayed in much Western philosophical and more broadly academic writing a relationship of separation that situates the I on a pedestal of abstraction that voids it of its embodied histories and fails to account for its positionality within a socio historical context and the operations of power that define it *The Arts Management Handbook* Meg Brindle,Constance DeVereaux,2015-01-28 Whether the art form is theater dance music festival or the visual arts and galleries the arts manager is the liaison between the artists and their audience Bringing together the insights of educators and practitioners this groundbreaker links the fields of management and organizational management with the ongoing evolution in arts management education It especially focuses on the new directions in arts management as education and practice merge It uses cases studies as both a pedagogical tool and an integrating device Separate sections cover Performing and Visual Arts Management Arts Management Education and Careers and Arts Management Government Nonprofits and Evaluation The book also includes a chapter on grants and raising money in the arts *Song Noir* Alex Harvey,2022-08-08 A gritty smoke filled and boozy account of musician Tom Waits s formative decade in Los Angeles *Song Noir* examines the formative first decade of Tom Waits s career when he lived wrote

and recorded nine albums in Los Angeles from his soft folk inflected debut *Closing Time* in 1973 to the abrasive surreal *Swordfishtrombones* in 1983 Starting his songwriting career in the seventies Waits absorbed Los Angeles's wealth of cultural influences Combining the spoken idioms of writers like Kerouac and Bukowski with jazz blues rhythms he explored the city's literary and film noir traditions to create hallucinatory dreamscapes Waits mined a rich seam of the city's low life locations and characters letting the place feed his dark imagination Mixing the domestic with the mythic Waits turned quotidian autobiographical details into something more disturbing and emblematic a vision of Los Angeles as the warped narcotic heart of his nocturnal explorations
