Mitchell,2023-04-11 Emily The doctors told me I have amnesia They ve said it s a result of the concussion I sustained on New Year s Eve but I know the truth I ve been transported to a parallel universe it s the only plausible explanation as to why I m now living five years in the future where I ve morphed into some kind of crazy bully who has a better relationship with my mother in law than my husband Or should I say ex husband How is it that Calvin Jameson and I have gone from hopelessly devoted to separated and on the cusp of divorce I can t remember but I m damned sure I m going to find out Calvin I love my wife The problem is I no longer like her After our wedding she morphed from the dorky barefooted hippy into a prim and proper Stepford wife whose tongue is sharper than a sword When Emily wakes up from a coma claiming not to remember the last five years I m sceptical But then she shows signs of the old her The woman who eats burgers with extra fries who wants to learn how to juggle who plays the violin naked and dreams of exploring every beach the world has to offer And I have to ask myself what if I just ignore the last five years What if this is our do over Warning This new year love story involves a woman searching for redemption a man who s been burned before and the magic that only a new year brings This second chance love will tug on your heartstrings remind you to love yourself and literally burn your sheets sometimes all in the same chapter Get thee some tissues and a hot man to cuddle this is going to be one angsty ride Trigger warning This book deals with body issues bullying and self confidence If this is a trigger for you please consider skipping **Kill Me If You Can**
