Summary of Enactments Ohio. General Assembly. Legislative Service Commission,1979 **The Last Shall Be First, and the First Shall Be Last** Maretha Johnican,2023-11-22 This is the diary of the author s tumultuous journey from childhood to adulthood The road she has traveled has been full of many unexpected twists turns detours and cliff hangers Her trip itinerary has included poverty sickness molestation rejection domestic violence betrayals divorces single parenthood being a first lady and many other treks I believe that you will be captivated by the author s many excursions some self directed and some led by others some good and some not so good She experienced the contrast of being on a ship like Jonah running from God and being on a ship like Paul in the will of God But they all drove her into the arms of the blessed Savior who took what was meant to cause her life to be permanently shipwrecked and used it to make her more resilient for the voyage ahead I trust that you will be intrigued by how the author reveals the cycles in her life as she explains how the last became first and the first became last relating it to the scripture in Matthew 20 16 We all can relate with the alternating cycles in our lives of being last and then first and first and then last These seasons affect the just and the unjust but they are weathered so much better with the Lord on our side He works it all together for the good for those that love Him and are the called according to His purpose Romans 8 28 The writer believes that the Lord led her to be transparent and to share her life experiences as a means to inspire motivate encourage and challenge her readers to keep running the race that has been set before them regardless of the obstacles they may encounter Remember many are the afflictions of the righteous but the Lord will deliver us out of them all Psalm 34 19 War Department Education Manual United States Armed Forces Institute,1945

people It is a government incapable of control or restraint consumed by runaway spending It is a government ruled not by the will of the majority of Americans but by lobbyists lawyers and a media controlled agenda calling for greater amounts of progressive reform regulation and limits on individual freedom Author Michael LeGault proposes all is not lost There is still a small window of opportunity for the American people to summon a force of national will and reverse the direction we re heading a course that will see us become another declining European like social welfare state The key to avoiding this self destructive path is to understand the underlying causes of the dysfunction The Next American Revolutionclearly identifies the root causes of the demise of the American Dream and how we can get it back The message of this book is intended for all Americans in all regions of the country from sea to shining sea *Page's Ohio Revised Code Annotated* Ohio,1953
