

Bullying poem

1. You may think you're cool coz you call me names,
And you may think I'm hurting inside,
You may even choose to get nasty,
But do you really think I'm going to hide?
2. Lots of people look up to you,
They're scared if they don't you'll turn sour,
I bet half of them think you're a bully,
But when you speak to them, they just cower.
3. You have everybody below you,
Obeying your every demand,
But if somebody bigger came along,
You would bury your head in the sand.
4. You're not just a bully, but a coward,
Who's jealous of people like me,
Am I really as bad as you make me feel,
Or the person who you want to be?
5. I know I can talk to my teachers,
My parents, family, and friends,
To tell them how you make me feel,
Please let this bullying end.

Project™; Poetry Book Al Johnson, 2021-05-21 In today s headlines there have been incidents involving harassment of children and teens directly related to vicious homophobic cyberspace racial and other forms of bullying The pain anguish and heartbreak of bullying victims can be overwhelming Even supposedly mature politicians religious leaders and others are vociferous in a homophobic and vitriolic tone toward anyone with different lifestyles or points of view Easily influenced children and teens hear these confusing tones of discord and may likely soon emulate in some unhealthy manner

International Dictionary and Cyclopædia ... Robert Hunter,1901 *A Collection of Poetry about Anti- Bullying* Elise Sharron, 2022-02-03 A term that everyone around the world has become very aware of is bullying There are so many disappointing aspects of this personality trait and the more it happens the more disappointing it becomes Unfortunately students report being bullied as young as kindergarten four things that they don t even understand and sometimes things that they have no control over like their race or socioeconomic status The biggest misstep is that the adults in the room are not always doing everything that they can to support students who are being bullied address and educate students who are the bullies as well as creating a safety net for all students in all aspects of their young life This collection deals with anti bullying In *Burnt Cake* we use the metaphor of a burnt cake to connect with a teenager that is experiencing bullying and can t quite find the words to ask their parents for help In *Stand Up* we experience the honest truth about what we are not seeing and are not addressing in the presence of this bullying culture In *When I Have a Kid* we hear someone express all of the things that they are and are not going to do in an effort to support their child Because at the end of the day supporting children is important because at some point they will grow up to be the adults that lead our world We must make anti bullying a priority to keep this generation safe as well as the next
