Animals are often forced to fight to the death, and if they are seriously wounded, left to die by their owners. B. Animal fighting rings have close ties to criminal organizations and attract illegal activities to the communities where they are located. ("4 tied", 2013) . Animal hoarding is another form of abuse. It often leads to hoarders not being able to take care of the animals they own. A. In more serious cases the homes of hoarders become public health hazards as animal waste builds up.

In the case Of a home in Huber Heights, Ohio, on Octahedron Drive, over 150 animals were kept in a residential house. "More than 80 percent of family members being treated for child abuse also had abused animals.

In one-third of the cases, a child victim continued the cycle of violence by abusing a pet ("The animal abuse home violence connection", 2013). " 1. In a study done in 2005 by Christopher Henley and Suzanne E.
