**Are social networking sites good for our society?** Specific Purpose: In today's lifestyle, it is admitted that Social Network Sites bring convenience, efficiency, fast, speed and width for adolescents' interpersonal relationship development, but some people don't know it also brings many negative impacts that social networking sites. Central idea: Social networking sites have a negative influence on children, teenagers and adults. This paper will demonstrate that social networking sites do cause more harm than good. Introduction:

A social networking site can be defined as an online service that is based around the building and reflecting of social relations among individuals with common interests or social ties. Social networking sites such as Face book, Friendster, Tribe. net, MySpace and Twitter all vary slightly, but the one main feature they have is that they enable users to create a profile within the website to represent themselves and allows users to interact through email, instant messaging and other integrated communication channels within the site.

The popularity and growth of social networking sites over the past five years has been colossal, as many people from all over the world join up to this social phenomenon for varied reasons. Today, there are more than 500 million active users on face book and users spend over 700 billion minutes per month on this social networking site (Facebook, 2012). As the technology of Web 2. 0 improves and advances, social networking sites have an even bigger impact on society and human relationships, both positive and negative.

I'm going discuss the three main reasons why social networking sites bring many negative impacts pose on today's media savvy generation. I. Identity theft. A. Identity theft has become a result of the rapid expansion. 1. Total of 810,000 Australians of personal fraud in or identity theft in 2008" (Australian Bureau of Statistics, 2008). B. Sites such as MySpace, Facebook and Twitter identity theft in two mains Ways. 1. The first being is that sites encourage you to "edit our profile". Users share a variety of information about themselves on their Facebook profiles. 2. The second main issue is the privacy settings on these social networking sites also help personal fraud. II. The weakening of strong ties and isolation. A. The way we communicate with our peers and with strangers over the internet are changing. 1. Weakening our strong ties and also bring about physical social isolation

**Skills** K. Thomas Baby, 2025-04-27 This textbook presents a unique version of simplified English grammar that is easily understood by the average EFL student who struggles with the complex explanations found in standard grammar books prescribed for undergraduate students. Moreover, many prescribed grammar textbooks often lack sufficient practice materials and overlook certain seemingly trivial aspects of language that are crucial for language acquisition. Therefore, this book is specifically designed to address these challenges by shifting from traditional rule-based grammar learning to a cognitive approach that identifies patterns of correct sentence structure. This method makes grammar instruction easier and more engaging for the average student. Additionally, the book includes dedicated sections on summarizing, paraphrasing, and essay writing activities aimed at developing the writing skills of students at varying language levels by providing suitable practice materials.

Political Rhetoric, Social Media, and American Presidential Campaigns Janet Johnson, 2020-12-10 Political Rhetoric, Social Media, and American Presidential Campaigns explores how social media influenced presidential campaign rhetoric. The author discusses media use in American presidential campaigns as well as social media campaigns for Barack Obama, Mitt Romney, Hillary Clinton, and Donald Trump. This book addresses how presidential candidates adapted their rhetorical performances for newspapers, radios, television, and the Internet. Scholars of rhetoric and political communication will find this book particularly useful.
