Backlund, 2017-08-08 Perfect for fans of Tami Hoag and J T Ellison J R Backlund's gripping mystery debut Among the Dead is sure to be a knock out Ex SBI agent Rachel Carver must hunt a group of killers on her own before time runs out in this gripping debut Former North Carolina State

Bureau of Investigation agent Rachel Carver blames herself for the collateral death of an innocent woman in her last case. Unable to accept her superior's attempts to cover up the incident, she turned in her badge. But when a former partner asks her to consult on a new murder case, she reluctantly agrees, traveling to a small remote mountain community where she's tasked with leading a group of inexperienced detectives on a hunt for the killer. The trek has hardly begun when what seems to be the act of a loner proves to be much more as Rachel's team comes under attack and a detective is killed in the fallout. Now that the stakes have risen, Rachel's old employers at the SBI step in to take over the investigation. But Rachel, convinced they are on the wrong track, continues to work the case alone. And just as she delves into the town's past, she discovers a secret history that connects the victims, one that makes her the target of a man who would kill to keep it a secret.

The Beauty Series Tara Sosa, 2019-12-28

First love. Second Chances. Friends to lovers. Enemies to lovers. Roommates to lovers. Love hate. Opposites attract. Forbidden romance. Little sisters. Older brothers. Best friends. Charming billionaires. Inked firefighters. Players meeting their match. Everyone remembers their firsts. First kiss. First love. First heartbreak. First everything. The first time Liam Sullivan met Samantha Brennan, it was an unexpected encounter, a not-so-meet-cute. It was good for him. Bad for her. He wanted her at first sight. She wished she never laid eyes on him. The charming billionaire with all the ink and dimples and flirt and the girl who's been burned badly once before by someone he reminds her of. What could possibly go wrong? Everything. Everything could go wrong. Especially when you add in an overbearing older brother, a blast from the past, and a man who will not give up, no matter what. The first time Connor Brennan met Riley Sullivan, it was on a blind date. One he orchestrated as a dare, a challenge. One that came back to bite him in the you-know-where. That blind date turned into him meeting his match, his soulmate. But it's not that simple. Nothing ever is. She's Liam's little sister, and just like Connor, she comes with a wealth of chaos. He loves to throw out challenges; now he must deal with one. But it's not just challenges standing in his way or her or her older brother. Riley has a secret. And when that secret is exposed, the challenge, the chaos. He hasn't seen anything yet. The first time Aiden Masters met Allie James, the best thing that could be said is that they both made it out of the room alive, and so did everyone else. It wasn't love at first sight. Or second. Or third. Or tenth. Opposites attract. Not exactly. Forbidden romance. Not that either. More like forbidden everything, which causes the hate, the animosity, the angst. Which then, of course, leads to blurred lines, burning sheets, and trouble. So much trouble. You know what they say about hate and love? It's a thin line. But Aiden's line is blue. And what's a cop to do when Allie's family is embroiled in the criminal? Blur some more lines or move on once and for all? The first time Ryan Flannery met Elizabeth Masters, it was a meeting that would change everything for him and her. He was knocked, rocked, and thrown. And he didn't like it one bit. He was someone who's been around the block a time or two or a hundred. Definitely a hundred. He knew way too much about the opposite sex that he's forgotten most of it, and then he's too much of everything for someone like Beth. She's working on a list of firsts: first date, first kiss, first everything. He shouldn't want her; she belongs with someone better. He should let her complete her list of firsts.
