Nidal Malik Hasan Fitness Report:

The Making of a Homegrown Terrorist Peter A. Olsson MD, 2014-02-25 What are the factors that lead some individuals to become terrorists In this book a psychiatrist and psychoanalyst examines case histories of terrorism and reveals how radicalized youths living next door can become dangerous homegrown terrorists Religious zeal and passionate dogma can be powerful motivators for homegrown recruits of terrorist organizations In this book Peter A Olsson MD applies his years of work with disordered personalities to the psychological understanding of why seemingly ordinary Americans turn into murderers of their countrymen He identifies the psychodynamic patterns of the lives of those who become homegrown terrorists and commit acts of cold blooded murder examining 20 detailed case histories of individuals often youths or young adults to provide theoretical and practical understandings The book focuses on individuals that include Timothy McVeigh Ted Kaczynski a k a The Unabomber the Shoe Bomber Richard Reid Colleen LaRose a k a Jihad Jane Nidal Malik Hasan an American born former U S Army officer who opened fire on American troops at Fort Hood Killeen TX killing 13 and injuring more than 30 and Dzhokhar and Tamerlan Tzarnaev the two brothers charged with placing pressure cooker bombs at the finish line area of the 2013 Boston Marathon It also delves into topics such as distinguishing between good charisma in a youth versus evil charisma and recognizing the characteristics of a healthy group or leader versus those with unhealthy motivations subject matter that will be of interest and importance to anyone from concerned citizens and parents to teachers and terrorism specialists

The Counterterrorism Handbook Frank Bolz, Jr., Kenneth J. Dudonis, David P. Schulz, 2016-04-19 Terrorists constantly present new challenges to law enforcement emergency response teams security planners and others involved in counterterrorism Since the last edition of this volume was published additional atrocities have occurred and new threats have surfaced The fourth edition of *The Counterterrorism Handbook Tactics Procedures and Techniques* provides the latest developments and offers new insights on the War on Terror Updated to reflect an increased focus on terrorism in public transportation this volume provides an understanding of the strategies tactics and techniques required to tackle terrorism as it exists today It illustrates essential topics such as the elements common to all terrorism bomb threats risk assessment hostages and weapons of mass destruction It also presents case studies of some of the most notorious terrorist incidents including both World Trade Center attacks Oklahoma City Centennial Olympic Park the U S Embassy the U S S Cole and attacks in Madrid London and Glasgow The only way to effectively deal with terrorism is to have a thorough understanding of its present day characteristics who is involved and what weapons and tactics they are likely to use In language friendly to first responders this volume presents a comprehensive strategy of how to deal with a whole gamut of possible terrorist incidents Covering everything from bombings and hostage taking to nuclear terrorism the book describes in specific detail what needs to be done before during and after an event Armed with this information those charged with protecting the public will be better equipped to face myriad threats

Terrorism, 2008-2012 Edward

Mickolus,2014-03-08 This comprehensive chronology provides coverage of every international terrorist attack covered in public literature including newspapers news magazines radio television websites and other media from 2008 through 2012 plus updates on events that occurred before that period It notes trends in suicide bombings violence against Western and local hostages letter bombs food tampering major assassinations and other attacks by terrorists of all stripes Changes in security measures around the world are also included as are the key players in each event ranging from terrorists to victims to individuals trying to prevent the next attack *Homeland Security Intelligence* James E. Steiner,2014-07-06 Homeland Security Intelligence is the first single authored comprehensive treatment of intelligence It is geared toward the full range of homeland security practitioners which includes hundreds of thousands of state and local government and private sector practitioners who are still exploring how intelligence can act as a force multiplier in helping them achieve their goals With a focus on counterterrorism and cyber security author James E Steiner provides a thorough and in depth picture of why intelligence is so crucial to homeland security missions who provides intelligence support to which homeland security customer and how intelligence products differ depending on the customer s specific needs and duties *Myths and Realities of Crime and Justice* Steven E. Barkan,George J. Bryjak,2013-07-19 An Engaging and Accessible Overview of Crime and Justice in America For all their interest in crime most Americans know very little about the reality of crime and the criminal justice system in the United States and most of what Americans do know is a loose collection of accumulated truths half truths and outright fallacies *Myths and Realities of Crime and Justice What Every American Should Know Second Edition* provides a concise but thorough overview of criminal behavior crime and the criminal justice system in the United States Using up to date social science research to debunk many of the beliefs Americans hold about crime the book examines key topics such as serial killers and mass murders gun violence criminal victimization identity theft policing and police corruption plea bargaining jury nullification wrongful convictions the death penalty and the CSI Effect The fully revised and updated second edition of this popular text includes the most recent crime and criminal justice data and covers several recent high profile crimes including the Newtown shooting the Jerry Sandusky case and the Trayvon Martin case It also includes new sections on recent trends in crime rates street gangs and hate crimes Ideally suited for students in criminal justice programs as well as professionals who work within or in tandem with the criminal justice system *Myths and Realities of Crime and Justice What Every American Should Know Second Edition* is a thorough engaging and highly relevant portrait of crime and justice in America **Ticking Time Bomb** Joseph I. Lieberman,2011-05 The Fort Hood massacre on Nov 5 2009 which left 13 dead and 32 wounded could have been prevented Evidence of accused killer Nidal Hasan s growing drift toward violent Islamist extremism was on full display during his military medical training although his superiors took no punitive action He suggested Muslim Americans in the U S military might be prone to commit fratricide But a slipshod FBI invest into Hasan coupled with internal disagreements and flaws in the agency s intelligence operations also contributed to the government s

failure to prevent the attack This report tracks Hasan s growing radicalization in the years before the attack and the numerous failures of the military to take action against him A print on demand report **The War on Guns** John R. Lott,2016-08-01 When it comes to the gun control debate there are two kinds of data data that s accurate and data that left wing billionaires liberal politicians and media want you to believe is accurate In *The War on Guns Arming Yourself Against Gun Control Lies* nationally renowned economist John R Lott Jr turns a skeptical eye to well funded anti gun studies and stories that perpetuate false statistics to frighten Americans into giving up their guns In this his latest and most important book *The War on Guns* Lott offers the most thorough debunking yet of the so called facts data and arguments of anti gun advocates exposing how they have repeatedly twisted or ignored the real evidence the evidence that of course refutes them on every point In *The War on Guns* you ll learn Why gun licenses and background checks don t stop crime How gun free zones actually attract mass shooters Why Stand Your Ground laws are some of the best crime deterrents we have Women now hold over a quarter of concealed handgun permits How big money liberal foundations and the federal government are pouring hundreds of millions of dollars into public health studies the sole purpose of which is to manufacture false data against guns How media bias and ignorance skew the gun debate and why it will get worse From 1950 2010 not a single mass public shooting occurred in an area where general civilians are allowed to carry guns *A Ticking Time Bomb* United States. Congress. Senate. Committee on Homeland Security and Governmental Affairs,2011 *Homeland Security* Charles P. P. Nemeth,2016-12-08 Since formed in 2002 DHS has been at the forefront of determining and furthering some of the most hotly debated security issues facing the U S and global community in the 21st century Nearly 200 university programs with undergrad and graduate majors have cropped up in the last dozen plus years with limited resources available to teach from *Homeland Security Third Edition* will continue to serve as the core textbook covering the fundamental history formation oversight and reach of DHS currently The book is fully updated with new laws regulations and strategies across intelligence transportation sectors emergency management border security public utilities and public health *Beyond Post-Traumatic Stress* Jean Scandlyn,2017-07-05 When soldiers at Fort Carson were charged with a series of 14 murders PTSD and other invisible wounds of war were thrown into the national spotlight With these events as their starting point Jean Scandlyn and Sarah Hautzinger argue for a new approach to combat stress and trauma seeing them not just as individual medical pathologies but as fundamentally collective cultural phenomena Their deep ethnographic research including unusual access to affected soldiers at Fort Carson also engaged an extended labyrinth of friends family communities military culture social services bureaucracies the media and many other layers of society Through this profound and moving book they insist that invisible combat injuries are a social challenge demanding collective reconciliation with the post 9 11 wars
