

Night Games A Journey To The Dark Side Of Sport

Susan Brownell

Night Games A Journey To The Dark Side Of Sport:

Night Games Anna Krien, 2014-09-04 Winner of the William Hill Sports Book of the Year Award 2014 The Pies beat the Saints and the city of Melbourne was still cloaked in black and white crepe paper when the rumour of a pack rape by celebrating footballers began to surface By morning the head of the sexual crimes squad confirmed to journalists that they were preparing to question two players And so as police were confiscating bed sheets from a townhouse in South Melbourne the trial by media began What does a young footballer do to cut loose At night some play what they think of as pranks or games Night games with women Sometimes these involve consensual sex but sometimes they don't and sometimes they fall into a grey area In *Night Games* Anna Krien follows the trial of a young footballer Fearlessly and without prejudice she shines a light into the darkest recesses of sports culture

Obscene Pedagogies Carissa M. Harris, 2018-12-15 In *Obscene Pedagogies* Carissa M Harris investigates the relationship between obscenity gender and pedagogy in Middle English and Middle Scots literary texts from 1300 to 1580 to show how sexually explicit and defiantly vulgar speech taught readers and listeners about sexual behavior and consent Through innovative close readings of literary texts including erotic lyrics single woman's songs debate poems between men and women Scottish insult poetry battles and *The Canterbury Tales* Harris demonstrates how through its transgressive charge and galvanizing shock value obscenity taught audiences about gender sex pleasure and power in ways both positive and harmful Harris's own voice proudly witty and sharply polemical inspires the reader to address these medieval texts with an eye on contemporary issues of gender violence and misogyny

The Game Tadhg Coakley, 2022-05-31 This book is a multifaceted reflection on sport It is part memoir outlining Tadhg Coakley's time as a player and fan of sport and how it has shaped his life It is also a book of essays critiquing several aspects of sport both good and bad and showing its influence in the wider world It is also a work of auto fiction wherein Coakley uses his novelistic abilities to chart narratives personal and public It is finally a work of scholarship brilliantly interweaving the author's view of a life spent inside and outside the white lines with the cultural discourse of previous writers and thinkers on the many themes explored The book is an exploration and explanation of what sport means why it is the world's largest single consumer product and such a dominant pervasive presence in Irish culture Why for example were the terms European Championships and Premier League the top Google searches in Ireland for 2021 Why was Christian Eriksen the most searched person In this book Tadhg Coakley interacts with sport in the way that Olivia Laing interacts with isolation *The Lonely City* Sinéad Gleeson and Emilie Pine interact with the female body and female experiences *Constellations* and *Notes to Self* Doireann Ní Ghríofa interacts with being haunted by an eighteenth century poet *A Ghost in the Throat* and Fintan O'Toole interacts with Irish history *We Don't Know Ourselves* This is a book that needed to be written We are consuming sport in ever greater gulps often blindly The coverage of sport is vast newspapers magazines books a whole raft of TV channels in many languages websites podcasts blogs radio stations hourly sports bulletins with every news cycle Why is that and what

does it mean The book does not romanticise or idealise sport Sport has a dark side and is rife with greed corruption sexism homophobia nationalism and a raft of toxic masculine behaviour and the author interrogates his own behaviour and attitudes in respect of some of these On the other hand in sport as in art people can forge their own identities in grace imagination and the possibility of what may be This contradictory duality and the cognitive dissonance it carries with it is one of the most fascinating aspects of sport Sport like story is mostly about loss Ultimately sport like story is about what happens to the fans outside the white lines and for the readers off the page *A Cultural History of Sport in the Modern Age* Steven A.

Riess,2022-08-31 *A Cultural History of Sport in the Modern Age* covers the period 1920 to today Over this time world wide participation in sport has been shaped by economic developments communication and transportation innovations declining racism diplomacy political ideologies feminization democratization as well as increasing professionalization and commercialization Sport has now become both a global cultural force and one of the deepest ways in which individual nations express their myths beliefs values traditions and realities The 6 volume set of the Cultural History of Sport presents the first comprehensive history from classical antiquity to today covering all forms and aspects of sport and its ever changing social cultural political and economic context and impact The themes covered in each volume are the purpose of sport sporting time and sporting space products training and technology rules and order conflict and accommodation inclusion exclusion and segregation minds bodies and identities representation Steven A Riess is Professor Emeritus at Northeastern Illinois University USA Volume 6 in the Cultural History of Sport set General Editors Wray Vamplew Mark Dyreson and John McClelland

Communication and Sport Andrew C. Billings,Michael L. Butterworth,Paul D. Turman,2011-02-10 Offering the most comprehensive and diverse approach to the study of communication and sport currently available at the undergraduate level this book helps readers understand sports media rhetoric culture and organizations from both micro and macro perspectives Epistemologically diverse and theoretically grounded the book explores youth amateur and professional sports through the lens of mythology community and identity *Beijing's Games* Susan Brownell,2008-01-28

Why is hosting the Olympic Games so important to China What is the significance of a quintessential symbol of Western civilization taking place in the heart of the Far East Will the Olympics change China or will China change the Olympics Susan Brownell sets the historical and cultural contexts for the 2008 Beijing Olympics Games by placing it within the context of China s hundred year engagement with the Olympic movement to illuminate what the Games mean to China and what the Beijing Olympic Games will mean for China s relationship with the outside world Brownell s deeply informed analysis ranges from nineteenth century orientalism to Cold War politics and post Cold War China bashing Drawing on her more than two decades of engagement in Chinese sports the author presents evocative stories and first person accounts to paint a human picture of the passion that many Chinese people feel for the Olympic Games It will also be essential reading for journalists and sports enthusiasts who want to understand the fascinating story behind the Beijing Olympics **New York Magazine** ,1989-05-01 New York

magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **Night Games** Anna Krien,2013 Culture New York Magazine ,1989-05-29 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **Video Hound's Golden Movie Retriever, 1991** David J Weiner,Thomson Gale,1991

As recognized, adventure as with ease as experience practically lesson, amusement, as without difficulty as harmony can be gotten by just checking out a book **Night Games A Journey To The Dark Side Of Sport** with it is not directly done, you could believe even more in the region of this life, on the world.
