Nights In Rodanthe English Edition:

The English Language and Anglo-American Culture Carmen Luján García, 2013-02-21 The English Language and Anglo American Culture Its Impact on Spanish Language and Society explores the effects of globalisation on Spanish language and society It analyses the impact of the English language and Anglo American culture on Spanish language and culture This book compiles four different studies that provide evidence of the increasingly pervasive presence of English in Spanish daily life The areas covered include analyses of shop windows from different shopping centres in Las Palmas de Gran Canaria Spain which display Christmas greetings in English rather than Spanish exploration of some of the most frequently used techniques to translate the titles of Anglo American films a study of the use of anglicisms in the Spanish edition of the film magazine Cahiers du Cinema research on the attitudes of a sample of Spanish students towards English reflection on the emergence of a certain sense of identity towards English and Anglo American culture among Spaniards and some activities that invite reflection on the issues dealt with throughout the book

The Routledge Handbook of Audiovisual Translation Luis Pérez-González, 2018-10-10 The Routledge Handbook of Audiovisual Translation provides an accessible authoritative and comprehensive overview of the key modalities of audiovisual translation and the main theoretical frameworks research methods and themes that are driving research in this rapidly developing field Divided in four parts this reference work consists of 32 state of the art chapters from leading international scholars The first part focuses on established and emerging audiovisual translation modalities explores the changing contexts in which they have been and continue to be used and examines how cultural and technological changes are directing their future trajectories The second part delves into the interface between audiovisual translation and a range of theoretical models that have proved particularly productive in steering research in audiovisual translation studies The third part surveys a selection of methodological approaches supporting traditional and innovative ways of interrogating audiovisual translation data The final part addresses an array of themes pertaining to the place of audiovisual translation in society This Handbook gives audiovisual translation studies the platform it needs to raise its profile within the Humanities research landscape and is key reading for all those engaged in the study and research of Audiovisual Translation within Translation studies

Translation and Global Spaces of Power Stefan Baumgarten, Jordi Cornellà-Detrell, 2018-10-09 This book focuses on the role of translation in a globalising world It presents a series of case studies that explore the ways in which translation is subject to ideology and power play across diverging domains and genres Broadly based on a discussion of translation and the economies of power the chapters examine an array of contextual and textual factors ranging from global regional and institutional power relations to the linguistic stylistic and rhetorical implications of translation decisions The book maps the multiple ways in which power relations and ideological positions affect cross cultural communication with special reference to repressive practices in history translation policies media power and commercial hegemonies It concludes that future translation research will benefit from a more sustained

Encyclopedia of Bohemian and Czech-American Biography Miloslav Rechcigl Jr.,2016-11-10 As the Czech ambassador to the United States H E Petr Gandalovic noted in his foreword to this book that Mla Rechcigl has written a monumental work representing a culmination of his life achievement as a historian of Czech America The Encyclopedia of Bohemian and Czech American Biography is a unique and unparalleled publication The enormity of this undertaking is reflected in the fact that it covers a universe starting a few decades after the discovery of the New World through the escapades and significant contributions of Bohemian Jesuits and Moravian brethren in the seventeenth and eighteenth centuries the mass migration of the Czechs after the revolutionary year of 1848 and up to the early years of the twentieth century and the influx of refugees from Nazism and communism The encyclopedia has been planned as a representative a comprehensive and authoritative reference tool encompassing over 7 500 biographies This prodigious and unparalleled encyclopedic vade mecum reflecting enduring contributions of notable Americans with Czech roots is not only an invaluable tool for all researchers and students of Czech American history but is also a carte blanche for the Czech Republic which considers Czech Americans as their own and as a part of its magnificent cultural history

Notable Americans of Czechoslovak Ancestry in Arts and Letters and in Education Miloslav Rechcigl Jr.,2021-11-02 As pointed out in my last two publications no comprehensive study has been undertaken about the American Learned Men and Women with Czechoslovak roots The aim of this work is to correct this glaring deficiency with the focus on immigration from the period of mass migration and beyond irrespective whether they were born in their European ancestral homes or whether they have descended from them Whereas in the two mentioned monographs the emphasis has been on scholars and social and natural scientists and men and women in medicine applied sciences and engineering respectively the present compendium deals with notable Americans of Czechoslovak ancestry in arts and letters and in education With respect to women although most professional fields were closed to them through much of the nineteenth century the area of arts and letters was opened to them as noted earlier and as this compendium authenticates
