STORY FLUENCY

OUGH & AUGH STORY

There was a baker named Leo. He taught his daughter to make the dough. She made a tough batch of dough.

Leo made shapes from the tough dough. He had enough to make shapes for all of his pals in the shop who bought dough. As he fought through the tough dough, he thought about how to make it better.

Then, he had to cough. He went outside. It was dry in the shop from the drought. When he came back, his daughter made a snowman from the dough.

When Leo walked inside, she threw a snowball made of dough at him. Leo caught the snowball! They both start to laugh. They love making dough at the bakery.
