

The Outsiders

by S.E. Hinton

Please answer the following questions on a separate sheet of paper.

Chapter 1

1. Who are the Socs? Who are the Greasers?

Socs – rich, madras, mustangs, East side

Greasers – poor, t-shirts and jeans, West side

2. How is Pony's relationship with Darry different from his relationship with Soda?

Darry is more like a father-figure to Pony. He loves him, but they argue a lot and he is hard on him.

Soda and Pony are friends. He really understands Pony and they have a lot in common.

3. Why is the "gang" so important to Johnny?

He relies on them like family, because his father abuses him and his mother ignores him.

4. Do you think Darry loves Pony? Why does he treat Pony the way he does?

Yes, he does love Pony. He is hard on Pony because he doesn't want him to get in trouble because then the boys would be split up. He wants Pony to have a good life.

5. Explain what Pony means when he says, "I lie to myself all the time". Why do you think people lie to themselves?

He tries to convince himself something is truth. For example, he tries to convince himself that he doesn't care that Darry doesn't love him, but he does care whether or not Darry loves him.

Chapter 2

1. Who are Cherry and Marcia?

Two Socy girls Pony and Johnny picked up at the drive-in.

2. Why is it strange that Cherry and Pony get along so well?

Socs and Greasers shouldn't get along, but Cherry and Pony have a lot in common – interests, dreams, school.

3. According to Two-Bit, what is a "fair fight"? Why don't Socs fight fair?

A fair fight is between two people with no weapons. Socs don't fight fair because they gang up on people and bring weapons (knives, rings, etc.).

4. What two rules do Greasers follow?

Outsidersliterature Guide Answers
