

A black and white portrait of Robin Williams, showing him from the chest up. He has a full, grey beard and mustache, and his hair is also grey. He is looking directly at the camera with a slight, gentle smile. The background is dark and out of focus.

Robin Williams Chris Johnston,2015-09-25 Robin Williams101 Greatest Life Lessons Inspiration and Quotes From Robin Williams Many unique and wonderful biographies have already been written about Robin Williams and he is a comedic icon so it is difficult to develop a unique perspective on this intense man Following the lives of the rich and famous has always been a pastime of those who have calmer more ordinary lives As the song from Camelot the musical puts it What do simple folk do They sit around and wonder what royal folk would do and that s what simple folk do But for a man like Robin Williams who was in the performer s spotlight for many years you have to wonder whether the stories are about the man or about the roles he played on stage on film on television and even in his private life More than that what do these stories mean to us and what might we learn from them

22 life lessons. Shivam Attree,2020-07-12 22 life lessons Through this book I want to highlight the importance of moment which is in front of us We all go through some hard times we all face difficulties in life where everything just seems impossible but during those hard times is when we can either discover ourselves or lose ourselves completely Every chapter in this book is a life lesson which I experience or which I want to remember till the end This is not a motivational book I tried to put the reality as clearly as I can This book is not supposed to motivate you but it will enlighten you how is it that you can make your life worth while What is your role in life Why are you here What difference are you going to make while you are here I ask these questions to myself every now and then We didn t just took birth to please everybody else around us Why do we follow some certain beliefs that are embedded in our minds from childhood Why do we find it so hard to live a happy life alone Why are we not satisfied with ourselves What is it that we are in constant search for all the time Meaning in life is what we all should seek instead of happiness because happiness is subjective You can always find someone more happier than yourself But if we show courage and seek meaning in our life then maybe we achieve the ultimate prize which is satisfaction
