Household expenditures across the border generally fell throughout 2011. But persistent unemployment and economic downturns in neighboring countries are expected to hit personal budgets hard in 2012, with the cost of the debt ceiling and repeat quarterly tax adjustments and stimulus reductions also adding to the pressure on the personal budget. Additionally, the regulatory burden on the insurance and pharmaceuticals are also expected to increase this year, and pay roll taxes and other payroll-related budget commitments are also expected to increase in 2012.

Multi-Sector Engagement Initiatives is currently only implemented in countries where there is a significant number of stakeholders. It is used for projects that need the efforts of companies, university students, the general public, etc. Encouraging and motivating to the general public, encouraging them to participate in the work of projects, etc. It is suggested to develop and use the existing study tools (questionnaires, studies, etc.) and use them to collect the data of the different stakeholders and values about projects, such as the number of people, the organization type, the different initiatives, etc.
