

Guide to Buying a Used Sailboat

Ownership costs to include in the budget:

Seasonal storage, summer and winter

Hauling and launching

Winterizing, including covering

Insurance; most marinas require at least liability

Bottom painting (every 1-2 years)

Cleaning and polishing (supplies or service)

Breakdowns and repairs

Sailboat Buying Guide

Sailboat Buying Guide:

Sailboat Buying Guide For Cruisers Kimberly Brown, 2019-05-28 Sailboat Guying Guide For Cruisers What's the scoop We want you to get the right boat for the right value so that you can make your sailboat and sailing dream come true And we're hoping that during the course of your sailboat buying journey that we can help to entertain educate inspire and eventually connect with you at a beautiful tropical anchorage Note if your plans are to sail to the Arctic we'll have to skip the idea of physically meeting We don't do cold This is who we are If you haven't bumped into us before My family consists of my husband Simon British my daughter Sienna age 9 at the time of writing and me I'm Kim American In 2013 my family and I sold all our possessions purchased our sailboat Britcan British and American put together and headed out to sea The rat race wasn't working for us so we decided to find another way to live We've been sailing around the world ever since So far we've sailed over 30 000 miles and that includes circumnavigating the Mediterranean crossing the Atlantic Ocean took 18 days enjoying our way up the Caribbean Islands taking a break from sailing but not the boat in Charleston South Carolina and we've most recently sailed back down the Caribbean island chain all the way to Trinidad and Tobago And no we did not have loads of sailing experience before we left land So let me tell you why I wrote this guide for you The sailing community is full of great people The people who work in the sailing industry boat brokers sailing service professionals marina managers etc however are often disingenuous corrupt people New and old sailors are getting ripped off all the time And the place where they get ripped off the most is when they purchase a boat So a big issue that new sailboat owners have to contend with is paying way too much for a boat and/or getting a boat that isn't in the condition as advertised or expected The next biggest issue is information overload There's so much information nowadays that it's hard to figure out what you need to know and when you need to know it That goes for buying a sailboat and transitioning into the cruising lifestyle Buying a sailboat is NOT like buying a car or a house In both those cases the consumer is far more protected And changing lifestyles from land to sea is not something that most people have done before There's a massive learning curve on both accounts That being stated this guide will outline ten steps to buying a boat for the purposes of cruising long term 6 months This guide will help you to clarify your thought process avoid making mistakes and it will certainly help to save you money Ultimately it will you'll provide you with a clearer perspective about some of the issues involved with buying a boat and transitioning to a life on the sea
