

Section B

Section B: Reading comprehension

This section consists of **two compulsory** short answer reading comprehension questions. (Again there is no choice here, you **have to answer both** of the questions in this section).

Each question is made up of a reading passage and 7-8 questions on the passage. You must answer **all** the questions on each reading passage.

Here are samples of the type of reading comprehension questions that have been set in CXC English A past papers.
