The Special Service Worship Architect Constance M. Cherry, 2013-07-15 One of the Best Books of 2013 Worship Leader This book takes the principles found in Constance Cherry's successful *The Worship Architect* in which she provided dynamic blueprints for designing worship services and applies them to special services in the life of the church. Cherry, a worship professor and practitioner, offers theological reflection, practical guidance, and suggested resources to help worship leaders and ministry students in training to create meaningful special services related to the sacraments, life passages, and other occasions. Cherry sets forth a process concerning worship design for special services and demonstrates how this process is conducive to virtually any style of worship practiced today in a myriad of Christian communities. She includes a model order for each service type, including weddings, funerals, baptisms, child dedications, Holy Communion, and more. The book not only explains what leaders do in order to preside at special services and how to do it, but also why they make certain choices. Each chapter includes discussion questions, practical exercises, and a basic glossary. *Prayers with Pizzazz for Junior High Teens* Judi Lanciotti, 1996 This collection of user-friendly, fast-paced, active prayer experiences includes themes that range from the personal to the global, from parables to developing slide shows. They can be used in classroom settings, on retreats, and in youth group gatherings. *The Ceremonies and Religious Customs of the Various Nations of the Known World*, 1741 **Instructions on the Prayers and Ceremonies of the Holy Sacrifice of the Mass ...** M. I Will Surely Multiply Your Offspring Jamie Viands, 2013-12-04 After creating man and woman, God's first recorded blessing upon them is to be fruitful and multiply. Like the blessings of food and health, the human experience of procreation is so common that we may overlook its importance within the biblical narrative. However, *I Will Surely Multiply Your Offspring* is a comprehensive examination of the progeny blessing, demonstrating that this motif is both prevalent and significant within the Old Testament by tracing its development throughout the redemptive historical narrative. Viands identifies different progeny blessing traditions associated with the Abrahamic covenant, the Sinai covenant, and the new covenant, and describes their interrelationships as well as their relationship to the universal blessing first found in Genesis 1. This study lays the foundation for a biblical worldview of human proliferation, contributing to contemporary discussions concerning whether humans are obligated to bear children as well as procreation ethics. **Joined by the Church, Sealed by a Blessing** Diana Macalintal, Nick Wagner, 2014-09-22 *Joined by the Church, Sealed by a Blessing* does more than help parish leaders plan excellent wedding liturgies and prepare engaged couples well.
