IMPORTANT: Your new vehicle is equipped with the Chrysler Cleaner Air System for controlling crankcase, evaporative, and exhaust emissions. It is a highly effective method of reducing automotive air pollution. As delivered to you, it eliminates more than 80% of the hydrocarbons, 70% of the carbon monoxide, and 50% of the oxides of nitrogen emissions as compared to an unequipped vehicle. We are proud of our major contribution to the national effort to clean up our air. You can help in this effort, too. This manual explains the Chrysler Cleaner Air System and how it works. You can keep it working properly by following a few simple maintenance rules. Please read and follow them.

Samsung Dart Owners Manual
