New Idea 323 Corn Picker Manual

CL Gary

New Idea 323 Corn Picker Manual:

The Organic Grain Grower Jack Lazor, 2013 The Organic Grain Grower is an invaluable resource for both home scale and commercial producers interested in expanding their resiliency and crop diversity through growing their own grains. Longtime farmer and organic pioneer Jack Lazor covers how to grow and store wheat, barley, oats, corn, dry beans, soybeans, oilseeds, grasses, nutrient dense forages, and lesser known cereals. In addition, Lazor argues the importance of integrating grains on the organic farm, not to mention within the local food system, for reasons of biodiversity and whole farm management. The Organic Grain Grower provides information on wide ranging topics from nutrient density and building soil fertility to machinery and grinding grains for livestock rations. COVER
