

The background of the image is the Nigerian flag, featuring three horizontal stripes of green, white, and green. The flag is shown with a slight wave, giving it a sense of movement. The text is overlaid on the white stripe.

Nigeria, we hail thee,  
Our own dear native land,  
Though tribe and tongue may differ,  
In brotherhood we stand,  
Nigerians all, and proud to serve  
Our sovereign Motherland.

Our flag shall be a symbol  
That truth and justice reign,  
In peace or battle honour'd,  
And this we count as gain,  
To hand on to our children  
A banner without stain.

O God of all creation,  
Grant this our one request,  
Help us to build a nation  
Where no man is oppressed,  
And so with peace and plenty  
Nigeria may be blessed.

**THE VALUES OF THE TWO ANTHEMS AND THE PLEDGE TO NIGERIA** Dipo Toby Alakija, Most of Nigerian citizens are not informed about the National Value System which is partly constructed with the use of The Pledge the new and old Anthems These uninformed citizens including most leaders are the ones deforming the nation Thus out of sheer arrogance or ignorance or negligence they constantly break the promises they make to the nation while most political and other leaders consistently violate the oaths they take before they assume offices Most citizens especially youths do not realize that their failures to fulfill The Pledge often result into breaking part of either Criminal or Civil Law Consequently malpractices that range from cheating during the examinations to electoral fraud seem to have grown into bacteria that kill patriotic spirit of the nation Invariably the same bacteria also give births to vices and crimes which are the causes of economic and political catastrophes This book which is designed to be studied by both youths and adults provides insights into the National Value System and interprets the meanings of the two anthems and the pledge to Nigeria Through their interpretations the author is able to explain that Nigerian forefathers intended to characterize citizens as patriotic responsible and reasonable members of the society at the earliest stage of their lives **Nigeria** Alfred Obiora

Uzokwe,2015-08-22 This book is a collection of Alfred Obiora Uzokwes critical commentaries about Nigerias triumphs woes and the way forward It brings his writings into one volume as a reference material for those conducting research about the country It will also serve as another tool for Nigerias policy makers in their everyday quest for better decision making The subjects of the commentaries are diverse including politics aviation infrastructure health welfare and economy Nigerians are resilient and ingenious but the country continues to flounder plagued by poor transportation infrastructure corruption unemployment inflation insecurity and poor standard of education The problems of Africas most populous nation can be traced to rudderless and selfish leaders that have continued to preside over a unidimensional economy With plummeting oil prices the nation is now in dire straits more than ever before Yearning for a change in leadership and direction Nigerians recently voted in a new government at the center headed by a former military leader who has vowed to institute change The world is keenly watching to see if the soldier turned politician would make a positive difference In spite of the difficulties of the present time Nigeria still has the potential of becoming a great economy Social media where citizens freely vent their thoughts about their leadership is slowly gaining the attention of leaders Furthermore the sometimes scathing commentaries about Nigerias leaders by the media and commentators like Alfred Obiora Uzokwe can no longer be ignored by the leaders because of their reach in this internet age Nigerian leaders are slowly being forced to listen to and pay heed to the yearnings and aspirations of the masses and that is a step in the right direction **America's National Anthem** John R.
