Nigeria Revisited My Life And Loves Abroad:

Surviving Biafra S. Elizabeth Bird, Rosina Umelo, 2018-11-15 In 1961 Rosina Rose Martin married John Umelo a young Nigerian she met on a London Tube station platform eventually moving to Nigeria with him and their children As Rose taught Classics in Enugu they found themselves caught up in Nigeria's Civil War which followed the 1967 secession of Eastern Nigeria now named Biafra The family fled to John's ancestral village then moved from place to place as the war closed in When it ended in 1970 up to 2 million had died most from starvation Rose worse off than some better off than many had kept notes capturing the reality of living in Biafra from excitement in the beginning to despair towards the end Immediately after the war Rose turned her notes into a narrative that described the ingenious ways Biafrans made do still hoping for victory while their territory shrank and children starved by the thousand Now anthropologist S Elizabeth Bird contextualizes Rose's story providing background on the progress of the war and international reaction to it Edited and annotated Rose's vivid account of life as a Biafran Nigerwife offers a fresh new look at hope and survival through a brutal war *Nigeria Revisited* Catherine Onyemelukwe, 2014 The Nigerian people hold strong ties to their families clans tribes and country and it doesn't take long for foreign residents to feel the same bond So in 1962 when twenty one year old Catherine Onyemelukwe launches her two year adventure with the brand new Peace Corps she has no idea what the African country has in store Catherine's heartfelt memoir revisits her two years overseas that become twenty four during which her experiences brim with friendships students travels around the country and love It recalls how her future Nigerian husband contrives to meet her their falling for each other and their controversial wedding that becomes world news and a spread in Life Magazine It is also a deep look into the coups and wars that leave their family without electricity and running water as they struggle to keep their children safe and healthy When it becomes too much they flee to the United States only to be greeted with scorn for their mixed race children This story of adapting to cultures taking risks surviving and embracing differences will inspire the reader to venture beyond perceived horizons and see the world in a whole new light **Though One Go with Me** Barry
