Loughheed, 1999-12 The Gremlin is a light hearted account of the coming of age of twelve year old Upton Valentine In 1970 Upton finds himself at a crossroads He possesses a newly acquired independence coupled with an evolving perception of his mostly dysfunctional friends and a profound shift in emotions toward young Rebecca Stewart But as summer commences an overbearing father enters him in the Soap Box Derby a professional mother announces the family's impending move to another town and a bully from the past returns to torment the lad once again Amid youthful summer shenanigans Upton must cope daily with these unexpected diversions As the summer unfolds Upton develops a profound awareness through close interaction with his friends family a very special girl and an unscrupulous bully both on and off the trail to the derby He succeeds in the onerous task of designing and building his racer he witnesses the demise of the unscrupulous bully and he comes to terms with the inevitable changes that life relentlessly imposes As for the title it was in 1970 that now defunct American Motors rolled out an amusingly bizarre little auto called Gremlin In the story a brash car dealer sponsors Upton's entry into the derby with the strict requirement that the racer be called the Gremlin That silly little auto surprisingly
