our YouTube Video Channel <http://www.youtube.com/c/EdizSzer> BOOK PRESENTATION The Solution for Death Text Version Risale i Nur Treatise of Light Training Program This book which is an explanatory work based on 2nd Matter of Risale i Nur Treatise of Fruit and Second Station of 13th Word of Risale i Nur is written to look at death and life in the light of a different perspective When you complete the book you will witness that the cure of the death greatest matter for a man has been found and that the method for finding an immortal life and an everlasting happiness have been shown Firstly we are trying to look closely at the fact that the cure given by the Religion for death is a tremendous harbinger brought by the Religion by the hands of Prophets Later a very important truth is explained with a striking example describing the proposals of the two different groups in the face of death one inviting us to the eternal life while the other inviting us to the ephemeral world And later with an impressive style it is determined that the great importance for the human being of the cure remedy for escaping from the execution of the death and the true meaning of everything could only be found with the recognition by everybody that he/she is like a convict waiting for his or her turn for hanging At the next stop The reasons of the profound difference between a Muslim and a non believer or somebody believing in other monotheistic religions and the effects of this difference on social life are evaluated In addition it is stated that everything that has been existing in the name of humanitarian values and civilization was first introduced by the prophets and with the support given for adaptation of these invaluable moral treasures by others these values have become universal And later the question how could a non believer with such a disbelief enjoy the life and continue living are replied with stunning answers Moreover the situation of those people who on appearance seem to believe despite being not interested in the high truths declared and the responsibility of worship brought by the religion is put under investigation And ultimately Saving One's faith an important concept that is not adequately known in this country whose population is 99% Muslim is dealt with It is determined that the expression that At least I am a believer and even if I am sent to hell I'll get out of there and go to Heaven unfortunately does not reflect the reality of the situation we are in and that believing does not necessarily mean that that faith will come to grave together with you and an answer to the following question is looked for We wonder what are the characteristics of a faith that will give us happiness in the eternal life with 99% certainty We would like you to accompany us in this imaginary and mental journey of discovery There is only one fixed price for a ticket of the Journey A strong sense of wonder in the search for truth This work is a part of our basic source book called A Journey of Discovery for an Extraordinary Treasure Risale i Nur The Treatise of Light Training Program upon which our Journeys of Discovery Risale i Nur Training Program is constructed and it is The Solution for Death which is the fourth discovery of the five discovery dealt with in the first main part of that book which is called Discovering the Value of the Treasure of Faith We strongly suggest and present this book to those who regularly read Risale i Nur as well as to those who want to get some information for the first time The epilogue of our book which is entitled Your Journey Just Begins Now is also included in this work as it contains emotional striking and impressive points coming sincerely from the

deepest parts of our hearts about the reading of Risale i Nur and attendance to the Risale i Nur Lectures BOOK INDEX
