Behind the Scenes

Night is based on the experiences of Hungarian Jewish author Eliezer ("Elie") Wiesel. The book describes Wiesel's encounters with prejudice towards and persecution of the Jews during the Holocaust. When Wiesel was twelve years old, his hometown of Sighet was invaded by Nazis, and Wiesel and his family were imprisoned in the Nazi death camp of Auschwitz. *Night* details much of the horrors that Wiesel and many others endured in Auschwitz and other concentration camps.

After the war, Wiesel studied in Paris and later worked as a journalist, traveling between Israel and the United States. Initially, he had trouble writing about and publishing his accounts of the Holocaust. Publishers believed that few people would want to read his recollections as vivid, real, and painful as they were. Eventually, though, *Night* was published, and today it remains one of the most widely read and taught novels about the Holocaust.
