Smith, 2010-05-25 When Claudia Hodges Bradley meets a fox she knows it will be an extraordinary day Not just any fox this vixen is the magical familiar of the sorceress Morgana Shee For years Morgana has guarded the solitary gate between Earth and the Wildworld a shimmering parallel universe where legends still live She alone holds the secret of the mirrors that serve as the last passage to enchantment But Morgana has been betrayed and imprisoned in Wildworld and the fox is determined to recruit the Hodges Bradley kids for the rescue mission Armed only with courage and determination Alys Charles Janie and Claudia must save Morgana before the Winter Solstice when the evil sorcerer Cadal Forge plans to escape Wildworld and conquer Earth And with December 21 only two weeks away there is no time to lose *Heart of Valor* L.J. Smith, 2010-05-25 In the aftermath of an unnatural earthquake the Hodges Bradley children must once more help the sorceress Morgana prevent enemies from the Wildworld from attacking as they go up against Morgana's archrival Thia Pendriel **The Forbidden Game** L.J. Smith, 2010-06-08 It began with a board game What was supposed to be an evening of celebration with friends fun and games becomes a night of danger drama and obsessive love Because when Jenny her boyfriend Tom and their friends begin to play the Game it comes to life Suddenly they are in a dark world where Julian the gorgeous guy who sold Jenny the Game rules as Prince of the Shadows Julian makes their darkest nightmares realities and he will do anything to claim the beautiful Jenny as his prize The Game is real and the only way to win is to face your most secret fears You cannot quit to lose the Game is to lose your life And that is just the beginning The Vampire in Folklore, History, Literature, Film and Television , 2015-09-18 This comprehensive bibliography covers writings about vampires and related creatures from the 19th century to the present More than 6 000 entries document the vampire's penetration of Western culture from scholarly discourse to popular culture politics and cook books Sections by topic list works covering various aspects including general sources folklore and history vampires in literature music and art metaphorical vampires and the contemporary vampire community Vampires from film and television from Bela Lugosi's Dracula to Buffy the Vampire Slayer True Blood and the Twilight Saga are well represented Historical Dictionary of Gothic Literature William Hughes, 2013 Literary fashions come and go but some hang around longer than others like Gothic literature which has existed ever since The Castle of Otranto in 1764 During this long while it has spread from England to the rest of Great Britain and across to the continent and

off to America and Australia filling in the gaps more recently Most of it is in English but hardly all and it has adopted all styles from romanticism to modernism to postmodernism and even adjusted to feminist and queer literature and science fiction We have all read some Gothic tales or if not read then seen them in the cinema since they adapt well to film treatment and it would be hard to find anyone who has not heard of ghosts and vampires let alone Count Dracula and Frankenstein On the other hand some of us are inveterate Gothic fans reading one book or story after the other The Historical Dictionary of Gothic Literature follows this long and winding path first in an extensive chronology and then a useful introduction which explains the nature of Gothic and shows how it has evolved Obviously the dictionary section has entries on major writers and some of the best known works but also on geographical variants like Irish Scottish or Russian Gothic and Female Gothic Queer Gothic and Science Fiction This is provided in over 200 often substantial and always intriguing entries More can be found in a detailed bibliography including general works but also more specialized ones on different styles and genres and also specific authors This book should certainly interest the fans but also more serious researchers
