Pulling Through Catherine Jessop,2021-08-19 And at that exact moment the earth tipped and we all slid into a parallel universe On Christmas Day 2016 the Jessops were just an ordinary family but on Boxing Day one near death experience swept them all into the bewildering world of hospitals and serious illness and their lives changed forever Pulling Through is a handbook of everything Catherine has learned on their journey It covers many practicalities such as explaining hospital tests and scans jargon busting medical terms finance rehabilitation and more But it also illuminates the emotional aspect of illness and how massively it affects family and friends There are chapters on the power of nature music counselling optimism and

humour and how to look after the mental health of both patient and carer This is a book of hope help and reassurance on every aspect of coping with life changing illness in the family the good the bad the funny the sad and the useful If you or someone you know has a life changing illness then this book is here to help Love's Symphony Todd Philip

Lentz,2013-05-27 Just as a composer arranges a work into separate movements each movement containing individual opuses Love s Symphony is likewise written to tell a story It is a familiar story love found love nurtured upon a strong foundation then love lost leaving too many unanswered questions *The 100 Healthiest Foods to Eat During Pregnancy* Jonny

Bowden,Allison Tannis,2009-12-01 Eat the best foods for your baby s development Nutrition is never more critical than during pregnancy What you choose to put on your plate affects you and your baby s health not just in utero but for years to come However many nutritional guidelines for pregnancy are complex confusing and offer an uninspiring list of things to eat for the next nine months Backed up by the latest nutritional research this guide debunks pregnancy food myths and uncovers a number of surprising food choices that are superfoods for expectant mothers Anchovies are a high protein naturally salty snack a great food for avoiding feelings of nausea and they contain high amounts of omega 3 fatty acids which foster baby s brain development during the first trimester Leeks are the vegetable equivalent of a super multivitamin mineral tablet containing high amounts of vitamin A vitamin C and iron plus fiber B vitamins and other minerals Their mild slightly sweet flavor makes them appealing if you re suffering from morning sickness Cherries contain melatonin an antioxidant hormone that promotes healthy sleep for you and stimulates cell growth in your growing baby Celery is a healthy snack rich in silica a mineral which tones and firms your skin the perfect nutritional support for your stretching and expanding breasts and belly This one of a kind nutrition reference guide is also packed with helpful quick reference charts and sidebars highlighting healthy but no less delicious substitutes for commonly craved foods like ice cream and potato chips You ll also discover the most up to date research regarding pregnancy dilemmas such as how to get more omega 3s from fish in your diet while avoiding mercury It s pregnancy nutrition made easy

Playfulness and Dementia John Killick,2013 Playfulness has an important role in ensuring that life continues to be enjoyable and meaningful after a person is diagnosed with dementia This positive and uplifting book sets out to establish playfulness as an essential component of dementia care and will be a key text in changing attitudes and offering practical suggestions for new and valuable ways of interacting and being with people with the condition The author explains what is meant by playfulness within this context and why it is so important for people with dementia including as a way of maintaining meaningful relationships and a sense of personhood as a way of retaining control and as a way into lateral thinking He provides a wealth of practical suggestions for bringing activities with an element of playfulness into day to day dementia care illustrating these with photographs and many examples drawn from his own extensive experience and from people with dementia their families and professional caregivers The importance of spontaneity and of being with the person with dementia in the present moment is emphasized and the author encourages the reader to

develop a more playful mindset giving them the confidence to engage with different kinds of emotions and follow where playfulness leads even if a sense of uncertainty is generated The ethical dimensions of playfulness in dementia care are also covered including important boundaries to be observed and guidance on dealing with difficult situations Offering a fresh and original perspective that will illuminate our interactions with people with dementia this is essential reading for professional care staff activity coordinators therapists nurses people with dementia and their families and caregivers and anyone else concerned with the wellbeing of those with the condition
