Multiples Robert Silverberg, 2023-08-22 For some people one personality is just never enough A story of duplicity from the Hugo and Nebula Award winning author of *Lord Valentine's Castle* Slowly a climate of acceptance has been growing for people with divided personalities especially in big cities like San Francisco There are clubs with mirrors and lights that help people to switch and double maybe even triple When like Cleo you feel your world has become stale and cramped they're the perfect place to meet someone But first Cleo has to pretend that she's a multiple because they're notoriously indifferent to singletons and their bland overly simple selves When she meets Van she's able to pull off her masquerade for a week of bliss with him and Paul and Hal and Or so she thinks When Cleo is caught in her lie she attempts to bow out gracefully But Van doesn't want to lose her In fact he wants more of her There could be a whole horde of selves inside of her and he knows just how to get them out In the thoughtful and emotionally evocative title story *Multiples* multiple personality disorder is normal and indeed a desired state creating an effective metaphor for the loneliness experienced by socially isolated individuals SF Site Praise for Robert Silverberg and his short stories When Silverberg is at the top of his form no one is better George R R Martin 1 New York Times bestselling author Decades after being originally published most of these stories are still just as entertaining and powerful as they were when first released A singularly unique collection Kirkus Reviews *The Dead Man's Eyes* Robert Silverberg, 2023-08-22 Guilt is in the eye of the beholder in this futuristic crime story from the Hugo and Nebula Award winning author of *Lord Valentine's Castle* A lot of women were wearing Marianne's face that season which made it hard for Loren Frazier to forget that he killed his world famous wife's lover The world wouldn't forget it either the image of his murderous impulse was caught forever in his victim's brain an eyeflash picture readily recovered by law enforcement But a man of Frazier's money and power has options aliases overseas accounts the ability to change his appearance Heartbreak and regret are his constant companions through the continents and the years until he can truly see what he has become Praise for Robert Silverberg and his short stories When Silverberg is at the top of his form no one is better George R R Martin 1 New York Times bestselling author Silverberg's creative story premises are matched by a remarkable ability to make his characters sympathetic whether human or not Publishers Weekly starred review The short stories in Robert Silverberg's *First Person Singularities* are inventive sublime and endlessly entertaining Foreword Reviews Decades after being originally published most of these stories are still just as entertaining and powerful as they were when first released A singularly unique collection Kirkus Reviews *Hot Night, Alien in Tree* Robert Silverberg, 2023-08-22 An unsuspecting newlywed finds himself the subject of alien scientific study in this humorous tale from the Hugo and Nebula Award winning author After an evening out to dinner one sultry midsummer eve Charlie finds himself in the right place at the wrong time lying underneath an oak tree after making love with his new wife But while Maria drifts off into dreamland Charlie finds himself being watched by a one-eyed alien in the branches above No leering voyeur is this alien it's here on
