It's a twisted fairy tale a queer dystopia utopia and a lyrical exploration of kidnapping dreams murder sex revenge and love. Kate Schatz's Rid of Me is at once a wholly original work of fiction and an innovative meditation on one writer's relationship to an album. The album in question is PJ Harvey's 1993 recording Rid of Me a release noted again and again for its raw sound dark lyrics and unabashed presentation of female sexuality desire and rage. In her prologue Schatz states that the book is not about Rid of Me but because of it and the book's 14 chapters one for each song on the album use the lyrics moods images and characters to create something entirely different yet intimately connected to the music.

Death and the Rock Star Catherine Strong, Barbara Lebrun, 2016-03-03 The untimely deaths of Amy Winehouse 2011 and Whitney Houston 2012 and the resurrection of Tupac Shakur for a performance at the Coachella music festival in April 2012 have focused the media spotlight on the relationship between popular music fame and death. If the phrase sex drugs and rock n roll ever qualified a lifestyle it has left many casualties in its wake and with the ranks of dead musicians growing over time so the types of death involved and the reactions to them have diversified. Conversely as many artists who fronted the rock n roll revolution of the 1950s and 1960s continue to age the idea of dying young and leaving a beautiful corpse which gave rise for instance to the myth of the 27 Club no longer carries the same resonance that it once might have done. This edited collection explores the reception of dead rock stars rock being taken in the widest sense as the artists discussed belong to the genres of rock n roll Elvis Presley disco Donna Summer pop and pop rock Michael Jackson Whitney Houston Amy Winehouse punk and post punk GG Allin Ian Curtis rap Tupac Shakur folk the Dutchman Andr Hazes and world music Fela Kuti. When music artists die their fellow musicians producers fans and the media react differently and this book brings together their intertwining modalities of reception. The commercial impact of death on record sales

copyrights and print media is considered and the different justifications by living artists for being involved with the dead through covers sampling and tributes The cultural representation of dead singers is investigated through obituaries biographies and biopics observing that posthumous fame provides coping mechanisms for fans and consumers of popular culture more generally to deal with the knowledge of their own mortality Examining the contrasting ways in which male and female dead singers are portrayed in the media the book **Courting the Abyss** John Durham Peters,2010-02-15 Courting the Abyss updates the philosophy of free expression for a world that is very different from the one in which it originated The notion that a free society should allow Klansmen neo Nazis sundry extremists and pornographers to spread their doctrines as freely as everyone else has come increasingly under fire At the same time in the wake of 9 11 the Right and the Left continue to wage war over the utility of an absolute vision of free speech in a time of increased national security Courting the Abyss revisits the tangled history of free speech finding resolutions to these debates hidden at the very roots of the liberal tradition A mesmerizing account of the role of public communication in the Anglo American world Courting the Abyss shows that liberty s earliest advocates recognized its fraternal relationship with wickedness and evil While we understand freedom of expression to mean anything goes John Durham Peters asks why its advocates so often celebrate a sojourn in hell and the overcoming of suffering He directs us to such well known sources as the prose and poetry of John Milton and the political and philosophical theory of John Locke Adam Smith John Stuart Mill and Oliver Wendell Holmes Jr as well as lesser known sources such as the theology of Paul of Tarsus In various ways they all he shows envisioned an attitude of self mastery or self transcendence as a response to the inevitable dangers of free speech a troubled legacy that continues to inform ruling norms about knowledge ethical responsibility and democracy today A world of gigabytes undiminished religious passion and relentless scientific discovery calls for a fresh account of liberty that recognizes its risk and its splendor Instead of celebrating noxious doctrine as proof of society s robustness Courting the Abyss invites us to rethink public communication today by looking more deeply into the unfathomable mystery of liberty and evil [My Daddy's Naughty Girl: A Novel of Erotic Subjugation](#) Imelda Stark,2022-01-07 So I want you to know how it is for me The thought of you finding it arousing to hear my kind of story makes me wet between my legs You re drawn to a story about a woman liking to have her panties pulled down and her bare bottom spanked by a man who enjoys doing such things to naughty girls like me Now I m no child even if I sound that way Being the way I am does require regressing in age around certain kinds of sexual situations But in fact I m a grown woman in her thirties with responsible job In fact I pride myself on having a reputation as something of a ball buster at work which is rather ironic For the story I feel compelled to tell you the one that makes my pussy wet is about what happens when I come home at night to my special Daddy About how he is with me and how he wants me to be with him and how we found each other and learned to make each other so happy *A homiletical commentrary on the Book of Judges* J P.
