The Conflict of the Ages Teacher Edition I

The Scientific History of Origins Michael J. Findley, Mary C. Findley, Teacher Edition includes complete student text, review questions, vocabulary, and answer keys. The Conflict of the Ages is a Multi-Part exploration of History, Science, and ancient Literature. This first installment covers the concepts of God, time, Creation, physics, cosmology, and specifics about each day of Creation. We make comparisons with ancient sources to see where they agree with the Scriptural account. We reference classic and modern scientific views, exposing errors, preconceptions, presuppositions, and falsehoods taught as fact by the mainstream scientific community. God is the first witness, and the Bible the first eyewitness account of beginnings and origins. Other ancient documents contain at least some truths and parallel accounts.
