Pauline Frederick Reporting MARILYN S. GREENWALD, 2015-01-01 *Pauline Frederick Reporting* is the biography of the life and career of the first woman to become a network news correspondent After no less an authority than Edward R. Murrow told her there was no place for her in broadcasting Pauline Frederick 1908-90 cracked the good old boys club through determination and years of hard work eventually becoming a trusted voice to millions of television viewers During Frederick's nearly fifty years as a journalist she interviewed a young Fidel Castro covered the Nuremberg trials interpreted diplomatic actions at the United

Nations and was the first woman to moderate a presidential debate The life of this pivotal figure in American journalism provides an inside perspective on the growth and political maneuverings of television networks as well as Frederick's relationships with iconic NBC broadcast figures David Brinkley Chet Huntley and others Although Frederick repeatedly insisted that she would trade her career glamorous as it was to have a family a series of romances ended in heartache when she did indeed choose her work over love At the age of sixty one however she married and attained the family life she had always wanted Her story is one for all modern women striving to balance career and family

The Dog Fancier ,1924 **Leonard Bernstein and His Young People's Concerts** Alicia Kopstein-Penk,2015-01-22 Leonard Bernstein touched millions of lives as composer conductor teacher and activist He frequently visited homes around the world through the medium of television particularly through his fifty three award winning Young People's Concerts 1958 1972 which at their height were seen by nearly ten million in over

forty countries Originally designed for young viewers but equally attractive to eager adults Bernstein s brilliance as a teacher shined brightly in his televised presentations And yet despite the light touch of the maestro the innocence of his audience and the joyousness of each show s topic the turbulence of the times would peek through In this first in depth look at the series Alicia Kopfstien Penk s Leonard Bernstein and His Young People s Concerts illustrates how the cultural social political and musical upheavals of the long sixties impacted Bernstein s life and his Young People s Concerts Responding to trends in corporate sponsorship censorship and arts programming from the Golden Age of Television into the 1970s the Young People s Concerts would show the impact of and reflect the social and cultural politics of the Cold War Vietnam the Civil Rights and Women s Movements and the Counterculture Bernstein cheerfully bridged classical and popular tastes juxtaposing the Beatles with Mozart even as he offered personal televised pleas for peace and unity At the same time the concerts reflect Bernstein s troubled relationship as a professional musician with the dominance of atonality and his quest to nurture American music Anyone who enjoys the oeuvre of Leonard Bernstein has watched his Young People s Concerts or is passionate about the history of the long sixties will find in Leonard Bernstein and His Young People s Concerts a story of all three captured in this monumental study
