### **Evaluation of the New York City Police Department Firearm Training and Firearm-discharge Review Process**

Bernard Rostker,2008 In January 2007 New York City Police Commissioner Raymond W Kelly asked the RAND Corporation to examine the quality and completeness of the New York City Police Department s firearm training program and identify potential improvements in it and in the police department s firearm discharge review process This monograph reports the observations findings and recommendations of that study *Police Corruption in the NYPD* Steven V. Gilbert,2017-07-27

*Police Corruption in the NYPD* From Knapp to Mollen explores how the New York Police Department experienced two major investigations within a quarter of a century It compares the states of corruption within the NYPD during the Knapp and Mollen commissions examining why corruption continued and why the revealed ethical breaches became more serious

**Scapegoating Islam** Jeffrey L. Thomas,2015-09-15 Exploring the experience of Muslims in America following 9 11 this book assesses how anti Muslim bias within the U S government and the larger society undermines American security and democracy In the aftermath of the events of September 11 2001 Muslims in America have experienced discrimination and intolerance from the U S government and American citizens alike From religious and ethnic profiling to hate crimes intolerance against Muslims is being reinforced on multiple levels undercutting the Muslim community s engagement in American society This text is essential for understanding how the unjust treatment of American Muslims following September 11 has only served to alienate the Muslim community and further divide the United States Authored by an expert analyst of policy for 20 years this book explores the prejudice against Muslims and how the actions of the U S government continue to perpetuate fear and stereotypes within U S citizens The author posits that by respecting the civil rights of Muslims the government will lead by example in the acceptance of American Muslims improving homeland security along with the lives of Muslims living in the United States Policing within the Law John Eterno,2003-07-30 At a time when police abuses and errors make the headlines it is important to understand just what goes into the decisions that police make when they are confronted with various crime scenarios in the line of duty Required to respond within the law many officers are able to respond in a legal manner to crime situations in which court decisions are written clearly and with easily applied guidelines But what happens when those decisions and laws are written in a way that invites interpretation and varies from situation to situation Based on a case study of New York City police officers this important volume analyzes how officers contend with often ambiguous laws in the face of specific crime scenarios In addition the author explores other influences on police decision making including officer characteristics and attitudes and makes policy recommendations in an effort to encourage the reinforcement of legal guidelines so that the rights of individuals are appropriately balanced with the duty to control crime Based on a survey of nearly 1 300 officers responses to specially designed hypothetical crime scenarios this study illustrates how police officers are likely to react with regard to the law in these situations While officers tend to act legally

where the laws are clear less clearly articulated laws leave the police with a variety of different options for action in ambiguous situations For instance in weapons scenarios the survey showed that officers would often take advantage of ambiguity in the law with regard to how they may respond In drug scenarios officers will increase their tendency to do a search if the situation is slightly ambiguous though they will decrease their search responses when the situation appears to be highly ambiguous Eterno carefully examines the various responses and the laws that are meant to guide what police may or may not do in given situations concluding that better laws and bright line rules will help to check and balance the need to fight crime aggressively while preventing the abuse of authority that may arise in questionable circumstances

**The Counterrevolution** Bernard E. Harcourt, 2018-02-27 A distinguished political theorist sounds the alarm about the counterinsurgency strategies used to govern Americans Militarized police officers with tanks and drones Pervasive government surveillance and profiling Social media that distract and track us All of these contends Bernard E Harcourt are facets of a new and radical governing paradigm in the United States one rooted in the modes of warfare originally developed to suppress anticolonial revolutions and more recently to prosecute the war on terror The Counterrevolution is a penetrating and disturbing account of the rise of counterinsurgency first as a military strategy but increasingly as a way of ruling ordinary Americans Harcourt shows how counterinsurgency s principles bulk intelligence collection ruthless targeting of minorities pacifying propaganda have taken hold domestically despite the absence of any radical uprising This counterrevolution against phantom enemies he argues is the tyranny of our age Seeing it clearly is the first step to resisting it effectively

Walling Out the Insiders Michael Erbschloe, 2017-02-24 Insider threats are everywhere To address them in a reasonable manner that does not disrupt the entire organization or create an atmosphere of paranoia requires dedication and attention over a long term Organizations can become a more secure but to stay that way it is necessary to develop an organization culture where security concerns are inherent in all aspects of organization development and management While there is not a single one size fits all security program that will suddenly make your organization more secure this book provides security professionals and non security managers with an approach to protecting their organizations from insider threats

**Missed Opportunities, Shared Responsibilities** Chuck Wexler, 2010-11 On July 16 2009 Sgt James Crowley responded to a 911 call about a possible break in in progress on Ware St in Cambridge MA Crowley a respected 11 year veteran of the Cambridge police force arrived at the address which he later would learn was the home of Harvard Prof Henry Louis Gates Jr one of the most prominent African Amer scholars in the U S The situation deteriorated rapidly according to both men Within six minutes Crowley had arrested Gates for disorderly conduct and placed him in handcuffs at his own home How was this possible The Cambridge City Manager requested a study to be conducted to identify those lessons and help other cities avoid such incidents This report by the Cambridge Review Comm is the result Illus

**The NYPD's First Fifty Years** Bernard Whalen, Jon Whalen, 2014 The New York Police Department is an iconic symbol of one of the world s most

famous cities The blue uniforms of the men and women who serve on the force have long stood for integrity and heroism in the work to serve and protect the city s residents And yet as in any large public organization the NYPD has also suffered its share of corruption political shenanigans and questionable leadership In The NYPD s First Fifty Years Bernard Whalen himself a long serving NYPD lieutenant and his father Jon consider the men and women who have contributed to the department s past both positively and less so Starting with the official formation of the NYPD in 1898 they examine the commissioners politicians and patrolmen who during the next fifty years left a lasting mark on history and on one another In the process they also explore the backroom dealings the hidden history and the relationships that set the scene for the modern NYPD that so proudly serves the city today *Crimes of Terror* Wadie E. Said, 2015-04-08 The U S government s power to categorize individuals as terrorist suspects and therefore ineligible for certain long standing constitutional protections has expanded exponentially since 9 11 all the while remaining resistant to oversight Crimes of Terror The Legal and Political Implications of Federal Terrorism Prosecutions provides a comprehensive and uniquely up to date dissection of the government s advantages over suspects in criminal prosecutions of terrorism which are driven by a preventive mindset that purports to stop plots before they can come to fruition It establishes the background for these controversial policies and practices and then demonstrates how they have impeded the normal goals of criminal prosecution even in light of a competing military tribunal model Proceeding in a linear manner from the investigatory stage of a prosecution on through to sentencing the book documents the emergence of a terrorist exceptionalism to normal rules of criminal law and procedure and questions whether the government has overstated the threat posed by the individuals it charges with these crimes Included is a discussion of the large scale spying and use of informants rooted in the questionable radicalization theory the material support statute the government s chief legal tool in bringing criminal prosecutions the new rules regarding generation of evidence and the broad construction of that evidence as relevant at trial and a look at the special sentencing and confinement regimes for those convicted of terrorist crimes In this critical examination of terrorism prosecutions in federal court Professor Said reveals a phenomenon at odds with basic constitutional protections for criminal defendants

*A Post-Racial Change Is Gonna Come* J. Wharton, 2013-11-12 This work offers a political and historical analysis of Newark's modern politics since 1950 culminating with Mayor Cory Booker's rise to power and prominence both in the city and in American political consciousness Newark's recent political history offers an interesting case study in mayoral elections community development and coalition building politics While Newark is the quintessential post industrial city Booker has received critical attention for his post racial politics since he frequently bypasses racial and traditional urban politics At the same time relations between the mayor the municipal council and Newark's diverse communities were often so fractious that sustainable coalition building proved to be an elusive goal to resolve longstanding crime education and other social problems Based on original interviews with Cory Booker city council members and other prominent Newark politicians A Post Racial Change is Gonna Come is a powerful history of how Newark became the focal point for transformative politics in urban America

*Gender, National Security and Counter-terrorism* Margaret L. Satterthwaite,Jayne C. Huckerby,2013 In the name of fighting terrorism countries have been invaded wars have been waged people have been detained rendered and tortured and campaigns for hearts and minds have been unleashed Human rights analyses of the counter terrorism measures implemented in the aftermath of 11 September 2001 have assumed that men suffer the most both numerically and in terms of the nature of rights violations endured This assumption has obscured the ways that women men and sexual minorities experience counter terrorism By integrating gender into a human rights analysis of counter terrorism and human rights into a gendered analysis of counter terrorism this volume aims to reverse this trend Through this variegated human rights lens the authors in this volume identify the spectrum and nature of rights violations arising in the context of gendered counter terrorism and national security practices Introduced with a foreword by Martin Scheinin former UN Special Rapporteur on Human Rights and Counter Terrorism the volume examines a wide range of gendered impacts of counter terrorism measures that have not been theorized in the leading texts on terrorism counter terrorism national security and human rights Gender National Security and Counter Terrorism will be of particular interest to scholars and students in the disciplines of Law Security Studies and Gender Studies

*Enemies Within* Matt Apuzzo,Adam Goldman,2014-09-16 Two Pulitzer Prize winning journalists take an unbridled look into one of the most sensitive post 9 11 national security investigations a breathtaking race to stop a second devastating terrorist attack on American soil In *Enemies Within* Matt Apuzzo and Adam Goldman reveal how New York really works James Risen author of *State of War* and lay bare the complex and often contradictory state of counterterrorism and intelligence in America through the pursuit of Najibullah Zazi a terrorist bomber who trained under one of bin Laden s most trusted deputies Zazi and his co conspirators represented America s greatest fear a terrorist cell operating inside America

This real life spy story uncovered in previously unpublished secret NYPD documents and interviews with intelligence sources shows that while many of our counterterrorism programs are more invasive than ever they are often counterproductive at best After 9 11 New York Police Commissioner Ray Kelly initiated an audacious plan for the Big Apple dispatch a vast network of plainclothes officers and paid informants called rakers and mosque crawlers into Muslim neighborhoods to infiltrate religious communities and eavesdrop on college campuses Police amassed data on innocent people often for their religious and political beliefs But when it mattered most these strategies failed to identify the most imminent threats In Enemies Within Appuzo and Goldman tackle the tough questions about the measures that we take to protect ourselves from real and perceived threats They take you inside America s sprawling counterterrorism machine while it operates at full throttle They reveal what works what doesn t and what Americans have unknowingly given up Did the Snowden leaks trouble you You ain t seen nothing yet Dan Bigman Forbes editor

## **Nypd Student Guide Electronic Version Introduction**

In today's digital age, the availability of Nypd Student Guide Electronic Version books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Nypd Student Guide Electronic Version books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Nypd Student Guide Electronic Version books and manuals for download is the cost-saving aspect. Traditional books and manuals can be

costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Nypd Student Guide Electronic Version versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Nypd Student Guide Electronic Version books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Nypd Student Guide Electronic Version books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Nypd Student Guide Electronic Version books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Nypd Student Guide Electronic Version books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Nypd Student Guide Electronic Version books and manuals for download and embark on your journey of knowledge?
