## Oc Weekly Voter Guide:

**A People's Guide to Orange County** Elaine Lewinnek, Gustavo Arellano, Thuy Vo Dang, 2022-01-25 At first encounter Orange County can resemble the incoherent sprawl that geographer James Howard Kunstler named The Geography of Nowhere a car dependent seemingly bland space designed most of all for efficient capitalist consumption But it is somewhere too and learning its stories helps it become more than its boosters slogans Writers Lisa Alvarez and Andrew Tonkovich residents of Orange County's remote Modjeska Canyon describe this whole county as a much constructed and contrived locale a pestered and paved landscape built and borne upon stories of human development of destruction as well as happily of enduring wild places In a similar vein essayist D J Waldie chronicler of the bordering suburb of Lakewood asserts that becoming Californian means locating yourself in habitats of memory that connect ordinary local areas with broader themes Moving beyond sentimentality nostalgia and so many sales pitches that omit far too much Waldie echoes Michel de Certeau's call to awaken the stories that sleep in the streets That is the goal of this book Inspired by Laura Pulido Laura Barraclough and Wendy Cheng's A People's Guide to Los Angeles University of California Press 2012 as well as the People's Guides to Boston and San Francisco that have followed it we offer this guidebook for locals tourists students and everyone who wants to understand where they really are This book is organized with regional chapters sorted roughly north to south by community Within each city sites are listed alphabetically After the group of entries for each city we recommend nearby restaurants as well as other sites of interest for visitors Readers may explore this book geographically or use the thematic tours in the appendix to consider environmental politics Cold War legacies the politics of housing LGBTQ spaces or Orange County's carceral state The appendix also contains suggestions for teachers using this book engaging students in cognitive mapping close reading popular culture analysis and creating additional entries of people's history While many local histories tend to focus on a few white settlers this book places attention on the people especially the subaltern ones who are hierarchically under others including workers people of color youth and LGBTQ individuals No single book can represent an entire county so we have chosen to concentrate on the lesser known power struggles that have happened here and influenced the landscape that we all share We could not include everyone of course We are mindful that other groups are currently creating more people's history on this landscape that we hope our readers will continue to explore In Orange County excavating the diverse past can be frowned upon or actively repressed by those invested in selling Orange County in the style of its booster Anglo settlers from 150 years ago This book tells the diverse political history beyond the bucolic imagery of orange crate labels We hope it will inspire readers to further explore Orange County and reflect on even more sites that could be included in the ordinary extraordinary landscape here     *Prayers in the Precincts* John C. Green, Mark J. Rozell, Clyde Wilcox, 2000-04-04 In the wake of the Clinton Lewinsky scandal the Christian Right expected major victories in the 1998 elections Instead many of its allies lost close contests and the movement was seen as a liability in some high profile

campaigns In the only in depth study of the Christian Right s role in these races leading scholars analyze the role of the movement in fourteen key states from Maine to California and address speculations that the movement is fading from the American political scene The book focuses on elections on the state and local levels where the Christian Right is most influential and it describes the movement s niche in some detail Although each campaign described in the book had its unique characteristics the editors have drawn some broad conclusions about the 1998 elections While the movement was weak in the areas of candidate recruitment and fundraising they say the outcome may have also been related to external factors including a broader turnout of typically Democratic constituencies and the country s boredom with the scandal that conservatives had made the centerpiece of their campaign Despite the setbacks of 1998 the contributors argue the Christian Right continues to have an enormous influence on the political dialogue of the country Written from an unbiased nonpartisan perspective this volume sheds light on a topic that is too frequently mired in controversy **Meet the Candidates 2020:**

**Kamala Harris** Scott Dworkin,2019-06-18 Kamala Harris is already a contender to take on Donald Trump despite still refining her positions Learn what makes the lawyer legislator and progressive Democrat a strong candidate Meet the Candidates 2020 Kamala Harris A Voter s Guide is your handbook to understanding the candidacy of Kamala Harris and deciding if she deserves your vote in the Democratic primary and ultimately to take on Donald Trump in the 2020 presidential election The senator former prosecutor and attorney general from California has gained momentum after a strong national showing at the Kavanaugh hearings She is a strong voice in the Senate and serves on the Homeland Security and Governmental Affairs Committee the Select Committee on Intelligence the Committee on the Judiciary and the Committee on the Budget While she is still refining her campaign stances she has voiced support for gun control the Green New Deal lowering middle class taxes DREAMers net neutrality and legalizing marijuana Meet the Candidates 2020 Kamala Harris A Voter s Guide examines how her campaign will solidify the type of leader she ll be and her chances versus Donald Trump in the general election The Meet the Candidates 2020 series is the informed voter s guide to making a decision in the 2020 Democratic primary and presidential election Each book gives an unbiased political insider s analysis of each contender featuring candidate interviews an introduction by campaign adviser Democratic Coalition co founder and Dworkin Report host Scott Dworkin and compilation and writing by Occupy Democrats Editor at Large Grant Stern In two hours of reading you ll understand their defining characteristics credentials campaign issues challenges presidential chances and everything else you need to know to decide who should challenge Donald Trump Whether it s for Elizabeth Warren Joe Biden Bernie Sanders Kamala Harris Julian Castro Cory Booker or another Meet the Candidates is what you need to make an informed vote for president in 2020 The Publishers Weekly ,1908 **The Nation** ,1869 **Crime and Criminal Justice** Stacy L. Mallicoat,2019-01-02 The text is logically organized and easy to read and understand Students will find the text intriguing as they move through the coverage of the controversies from the text Michelle L Foster Kent State University Updated with new

content and current controversies that facilitate critical thinking debate and application of the concepts Mallicoat's Crime and Criminal Justice Second Edition provides accessible and concise coverage of all relevant aspects of the criminal justice system as well as unique chapters on victims and criminal justice policy Using an innovative format designed to increase student engagement and critical thinking each chapter is followed by two Current Controversy debates that dive into a critical issue in criminal justice These features challenge misconceptions by providing a balanced debate of both the pros and the cons of each issue and are followed by probing questions to help students think critically about timely topics With contemporary examples that students can easily apply and a broad range of effective learning tools this practical text helps students go beyond the surface toward a deeper understanding of the criminal justice system This title is accompanied by a complete teaching and learning package

*English for the Children* Johanna J. Haver, 2013-05-23 Silicon Valley software entrepreneur Ron Unz took on the education establishment both major political parties the ACLU and several activist groups with his English for the Children movement that began in 1996 and ended on Election Day 2002 His campaign to dismantle bilingual education through ballot measures in four states California Arizona Colorado and Massachusetts drew frequent responses

from the national media that initially opposed and then supported Unz's cause. The initiatives passed with 61-68% of the vote in three states but failed in Colorado. Experienced teacher and author of *Structured English Immersion*, Johanna J. Haver details the politics surrounding the Unz campaign, explaining both sides of the issues honestly and respectfully. She outlines the challenges that ensued after the measures became law and discusses areas of concern that remain in dispute to this day: Identification, placement and reclassification of English language learners, English proficiency tests, Segregation versus integration, Compliance versus flexibility, The Office for Civil Rights, Federal and state funding, Dual language instruction as an option.

This book focuses on how to best educate Hispanic English limited students who tend to be the ethnic group most likely to be taught in their native language and consequently to do poorly when compared to all immigrant children limited in English. It provides evidence that the Hispanic students have made impressive gains where states passed anti bilingual education laws. It compares that success to the students' failure in New York and Colorado where bilingual education still prevails.
