The Cambridge Companion to Biblical Wisdom Literature Katherine J. Dell,Suzanna R. Millar,Arthur Jan Keefer,2022-06-09 Study of the wisdom literature in the Hebrew Bible and the contemporary cultures in the ancient Near Eastern world is evolving rapidly as old definitions and assumptions are questioned Scholars are now interrogating the role of oral culture the rhetoric of teaching and didacticism the

understanding of genre and the relationship of these factors to the corpus of writings The scribal culture in which wisdom literature arose is also under investigation alongside questions of social context and character formation This Companion serves as an essential guide to wisdom texts a body of biblical literature with ancient origins that continue to have universal and timeless appeal Reflecting new interpretive approaches including virtue ethics and intertextuality the volume includes essays by an international team of leading scholars They engage with the texts provide authoritative summaries of the state of the field and open up to readers the exciting world of biblical wisdom Qualitative Research Sheila Keegan,2009-10-03 Qualitative Research helps those who have limited experience of qualitative research to become proficient buyers of research It will enable buyers to commission QR with confidence to choose a supplier agree a methodology with the research agency understand the process and end up with useful outputs which address the initial research issues It will help train new practitioners in terms of the basics of qualitative research and it will also develop the knowledge and understanding of more experienced qualitative researchers Qualitative research explores questions such as what why and how rather than how many or how much it is primarily concerned with meaning rather than measuring Understanding why individuals and groups think and behave as they do lies at the heart of qualitative research and market research practitioners and students of market research will all benefit from this title How is a Man Supposed to be a Man? Robin A Hadley,2021-09-17 The global trend of declining fertility rates and an increasingly ageing population has serious implications for individuals and institutions alike Childless men are mostly excluded from ageing social science and reproduction scholarship and almost completely absent from most national statistics This unique book examines the lived experiences of a hidden and disenfranchised population men who wanted to be fathers It explores the complex intersections that influence childlessness over the life course **Real Estate Record and Builders' Guide** ,1889 *Preparing and Delivering Technical Presentations* , **Architecture and Engineering** Oleg Kapliński,Wojciech Bonenberg,2020-12-18 The book is addressed to architects and civil engineers Design and research are areas connecting their activities The contents of the book confirm the fact that the interface between architecture and engineering is multidimensional The ways of finding points of contact between the two industries are highlighted This is favored by the dynamically changing reality supported by new design paradigms and new research techniques The multithreaded subject matter of the articles is reduced to six sections Research Scopes Methods Design Aspects Context Nature of Research and Economy and Cost Calculation Each of the articles in these six blocks has its weight And so in the Nature of Research section the following areas have been underscored laboratory tests in situ research field investigations and street perception experiments The section Design Aspects includes design oriented thinking geometrical forms location of buildings cost prediction attractor and distractor elements and shaping spatial structures The new design and research tools are an inspiration and a keystone bonding architects and engineers
