

Sample APA Papers: Literature Review

This section offers a sample literature review, written by an undergraduate psychology student at Purdue University. Since it's a real paper written by a real student, we haven't corrected the student's errors, but have instead included comments that point them out. If you have a comment you'd like to add to the paper, send us an e-mail at link@owl.english.purdue.edu and we'd be glad to add it.

We've marked up the paper with sample comments from various psychology teachers that comment on the paper's format, content, and use of APA style.
