

English Paper One Tips

THE (TITLE), WHY (PURPOSE) AND (AUDIENCE) OF THE (CONTENT) OF THE (TEXT) OF THE (FORM/STRUCTURE) at the top of the question paper and use it to help you structure your response to that point.

If you find the poem difficult and don't really understand it, here are a few things you can do which will help to gain you marks. (Having coloured highlighters would be helpful)

- > Underline all the verbs - then choose an interesting one and explain why the poet has used it.
- > Underline all the visual images and pick one which you find is particularly vivid to comment on.
- > Underline all the words employed in the poem. There might be choices of they are unorthodox, beautiful for examples of connotation or connotation to affect tone or allusion to external things. Then you can pick one or two and explain the effect the poet was trying to achieve.
- > Underline all the adjectives and choose one which you think is used in an interesting/descriptive way.
- > Underline any similes and metaphors in the poem. Pick out one or two and explain what they mean. Say why they are effective.
- > Look at the places where the poet has chosen to break the lines. Find one line break that you can comment on which shows choice and emphasis. Write down particular words/phrases for analysis.
- > Praise either the poet for his command of your genre.

Before anything else, read the poem line by line slowly. Then try to grasp its meaning - what is the theme, what is the tone, what is the poet trying to say here? By studying the structure and language of the poem, you will gain an insight into the poem's meaning. The more times you read the poem, the more you will understand the meaning of the poem.

Having said that, contemporary poetry is sometimes difficult to interpret. It can often have several meanings, or its meaning can be ambiguous. Sometimes, the poet doesn't want it to have any particular meaning, preferring instead the reader takes his/her own interpretation. You are advised to be as open and non-judgemental as possible when assessing the chosen poetry question.

The poet communicates thoughts, emotions and ideas to the reader through a particular choice of words and structure. The subject of the poem can differ. Sometimes the poem might challenge or affirm perceptions of how they view things, and help them see things in a different light. For some people, poetry is highly personal, and they engage with poems on a subjective level. In this case, you can learn a lot about life and understanding the through poems.

To help you gain a deeper understanding of what the meaning or content of a poem, try examining the following:

Notes

- > Note what you believe to be the main idea or ideas of the poem, approaching it from the source.
- > Note the key words or phrases repeated throughout the poem.
- > Think about why the characters are structured in a particular way.
- > Explore the relationships throughout the poem.
- > Use it there are any recurring themes in the poem, and reflect what the poet is trying to say by writing about these.
