

DBQ Essay Outline:

Name/Period: Joce Salazar

Essay Prompt:

Should historians emphasize agriculture or human sacrifice?

What is the essay asking me to find/do (specifics)?

It's asking me to conclude whether historians should talk more about human sacrifice or agriculture.

Organization/Categorization of Documents:

Labor:

Colonies:

Trade:

Intro/Thesis:

Historians should emphasize more about human sacrifice rather than agriculture because of religion, territory, and how agriculture played a role in sacrifice.

Paragraph 1(Intro)- Topic: Background on the Aztec

The Aztecs were the Native American people who dominated northern Mexico at the time of the Spanish conquest in the early 16th century. They were a nomadic culture, then the Aztecs eventually settled on several small islands where they founded the town of Tenochtitlan, modern-day Mexico City. The Aztec civilization is known for being the last of the great Mesoamerican cultures before the Europeans arrived. They ruled from 1350 to 1519. Tenochtitlan was the home of approximately 300,000 people.

Paragraph 2- Topic: Religion

Evidence- DOC C Diego Rivera Mural

Analysis- In this mural we can see the Aztec people growing corn and making flour to make tortillas. They did all of this for their Corn goddess, which was a part of their religion.

Evidence- DOC D The Codex Mendoza

Analysis- As we can see in the picture it shows the action of human sacrifice, which is the main part of their religion. In the picture it shows how they took prisoners and sliced their chests open and took their hearts for the gods on top of their temples.

Document-Based Assessment Activities for Global History Classes Theresa C. Noonan, 1999 Covers all significant eras of global history Encourages students to analyze evidence documents and other data to make informed decisions Develops essential writing skills *Social Studies for the Elementary and Middle Grades* Cynthia S. Sunal, Mary E. Haas, 2005 Discusses flexible strategies for teaching today's diverse learner the structure of the knowledge to be learned how to help students reconstruct and present ideas and how to translate theory and recent research into lesson plans and units All within a constructivist framework September 9 2013 Ingrid Robinson took this book off the CRC shelf and asked that it be added to the Reserve Books Shelf **Social Studies for Secondary Schools** Alan J. Singer, 2014-10-08 Now in its 4th edition this popular text for secondary social studies methods courses integrates discussions of educational goals and the nature of history and social studies with ideas for organizing social studies curricula units lessons projects and activities A major theme throughout is that what teachers choose to teach and the way they teach reflect their broader understanding of society history and the purpose of social studies education Advocating an inquiry and activity based view of social studies teaching that respects the points of view of students and teachers and based in practice and experience it offers systematic support and open honest advice for new teachers Each chapter addresses a broad question about social studies education sub chapters begin with narrower questions that direct attention to specific educational issues Lesson ideas and materials in the book and online are especially designed to help new teachers to address common core learning standards to work in inclusive settings and to promote literacy and the use of technology in social studies classrooms Chapters include highlighted Learning Activities Teaching Activities and Classroom Activities designed to provoke discussion and illustrate different approaches to teaching social studies and conclude with recommendations for further reading and links to on line essays about related social studies topics Activities are followed by four categories Think it over Add your voice to the discussion Try it yourself and It's your classroom All of these are supported with online teaching material Designed for undergraduate and graduate pre service social studies methods courses this text is also useful for in service training programs as a reference for new social studies teachers and as a resource for experienced social studies educators who are engaged in rethinking their teaching practice New in the Fourth Edition Provides a number of new lesson ideas paired with online lesson plans and activity sheets in every chapter Takes a new focus on data driven standards based instruction especially in relation to the common core curriculum Addresses the interactive nature of learning in updated technology sections Reflects current trends in history education Includes more of what the author has learned from working teachers Offers a wealth of additional on line material linked to the text **Make History** Art Worrell, Paul Bambrick-Santoyo, 2023-05-09 Make History with Your Students From bestselling author Paul Bambrick Santoyo and Art Worrell Uncommon Schools Director of History Instruction comes Make History an inspiring book on how educators can take history instruction to the next level History teachers face

unique challenges in introducing history lessons to students and they are under increasing pressure to get it right in an age of social progress and social divisiveness This book is a guide to bring the past to life while teaching students how to make sense of history Use the ideas and techniques to turn your history students into writers readers and thinkers who are ready not only to succeed in college but also to become leaders and change agents By showing how to teach rigorous engaging lessons that center student thinking and voice Make History turns history class into the most exciting part of a student s day Reimagine history education to help students build their own unique arguments about the past Ask tough questions to help students grapple with difficult historical periods Set the stage for authentic discourse that students remember long past the bell Give students the tools to become socially aware build their own identity and think and write like historians Teachers and instructional coaches in grades 5 12 will love this new insightful approach to history one that works for today s classrooms

Literacy and Learning in the Content Areas Sharon Kane, 2017-07-05 The 3rd Edition of Literacy Learning in the Content Areas helps readers build the knowledge motivation tools and confidence they need as they integrate literacy into their middle and high school content area classrooms Its unique approach to teaching content area literacy actively engages preservice and practicing teachers in reading and writing and the very activities that they will use to teach literacy to their own students in middle and high school classrooms Rather than passively learning about strategies for incorporating content area literacy activities readers get hands on experience in such techniques as mapping webbing anticipation guides booktalks class websites and journal writing and reflection Readers also learn how to integrate children s and young adult literature primary sources biographies essays poetry and online content communities and websites into their classrooms Each chapter offers concrete teaching examples and practical suggestions to help make literacy relevant to students content area learning Author Sharon Kane demonstrates how relevant reading writing speaking listening and visual learning activities can improve learning in content area subjects and at the same time help readers meet national content knowledge standards and benchmarks
