tests is that you can assess your performance and see if you need to study and practice more or if you're already prepared enough to achieve success on your test day. If you do well on the practice test then you know you're prepared. If you struggle on the practice test then you know you may still have more work to do to get prepared. Taking lots of practice tests helps ensure that you are not surprised or disappointed on your test day. Our NBCOT COTA Exam Practice Questions give you the opportunity to test your knowledge on a set of questions. You can know everything that is going to be covered on the test and it will not do you any good on test day if you have not had a chance to practice. Repetition is a key to success and using practice test questions allows you to reinforce your strengths and improve your weaknesses. Detailed answer explanations are also included for each question. It may sound obvious but you have to know which questions you missed and more importantly why you missed them to be able to avoid making the same mistakes again when you take the real test. That's why our NBCOT COTA Exam Practice Questions include answer keys with detailed answer explanations. These in-depth answer explanations will allow you to better understand any questions that were difficult for you or that you needed more help to understand.

Exam Facts COTA Certified Occupational Therapist Assistant Exam Kori Callahan, 2013-02-19 Exam Facts presents the COTA Certified Occupational Therapist Assistant Examination Study Guide. The exam presents just the facts you need to pass the NBCOT National Board of Certified Occupational Therapist Occupational Therapist Assistant certification exam. Kori Callahan was a former college teacher who shifted her focus to Occupational Therapy. She focused long nights going to school to become an Occupational Therapist Assistant. She then became a roving OTA instructor who has taught Occupational Therapy in over 14 countries. This was on top of being married, running the household and raising two boys. Kori is committed to provide readers the knowledge for you to be successful. With this edition, future therapist candidates can rest assured that they will be receiving the latest study material available to advance their career. What are the characteristics of the Galant reflex? What splint is used for Median nerve palsy? What is the maximum reachable height for countertops? What are C7 long term goals for mobility? What does a COTA do to prepare to give an assessment? Exam Facts brings you the best in Healthcare, Finance, Business, Technology, and Law study guides. We give you just the facts. **Certification Examination for Occupational Therapy Assistant** Jack Rudman, 1997-02-01 *CERTIFICATION EXAMINATION FOR OCCUPATIONAL THERAPY ASSISTANT (OTA)* National Learning Corporation, 2019
