

Your Child's Day

Indoor Play – We have a variety of experiences for your child to engage in. These experiences are changed throughout the week, depending on the current interests and spontaneous learning that may emerge on a day to day basis. We also have interest areas set up. These areas have specific resources and tools and equipment that your child can use to explore and discover.

Outdoor Play – Your child will develop their gross motor skills and explore the natural environment through our outdoor area. We provide a playground which provides your child an opportunity to climb, and run and we also have a sandpit for exploration.

Group Time – Group time is a scheduled (or unscheduled) time when we all come together as a community of learners. To share thoughts and ideas, listen and converse to each other, participate in new learning experiences, introduce new concepts, read together, sing together and collaborate with one another.

Your Child's Learning

During your child's time with us, we use different documentation methods to build an understanding of your child's skills, interests and abilities. Using this documentation we plan individual experiences that will focus on your child's learning and overall development. The documentation we use are observations, learning stories and individual portfolios. You are more than welcome to view this documentation of your child to see their progress and we will be happy to discuss your child progress with you, throughout the year.
