the Holy Spirit as his teacher an expert teacher who came from heaven for the same purpose He teaches the believer how to fly in the supernatural faith Jesus said He would lead us into all truth when He comes and glory to God He would not hesitate in carrying out His assignment However the Holy Ghosts school is located in faiths arena and the truth about God cannot be taught outside the faith And so without faith it is impossible to know Him Therefore by new creation the believer is adapted to approach God through faith so that with the indwelling Spirit as his teacher none would teach his neighbor again saying Know God The believers understanding is no longer darkened God who said Let there be light has commanded light to shine forth in the heart of a believer This light is already shining in him for God has commanded the light and will not command it again The believer therefore is now a light and cannot become a light for he is already a light Any man in Christ has received a measure of faith from God Rom 12 4 It is therefore to be disproved when Christians claim they have no faith God dealt to everyone in Christ a measure of faith therefore none can claim he has none We are a believing generation a generation of faith We were adapted to do exploits in the supernatural faith You do not need to trouble yourself on how to have faith only understand how to fly in supernatural faith and you will begin to do exploits

Moussaka to My Ears John Manuel, 2009-05-11 John and his half Greek wife Yvonne Maria moved from the UK to Rhodes in 2005 the account of which was told in his first book FETA COMPLI MOUSSAKA takes up where FETA COMPLI leaves off with Yvonne and John settling into life on Rhodes and coming into contact with some great characters who live around them out there

Plus there's another helping of reminiscences from past years and other parts of Greece and Europe in general like the time when Yvonne was Miss August on a calendar that graced the walls of innumerable offices all across Germany after meeting a German businessman on a beach in Corfu. Then there's Manolis the Six Million Drachma Man who climbs olive trees even though he only has one and a half legs. The Lonely Goatherd comes by as does Kostas the local who shows them which weeds are great to eat. Yvonne helps Greco-Turkish relations during an evening out on Samos and John reluctantly becomes the elephant man for a while.
