The Phantom Pattern Problem Gary Smith,Jay Cordes,2020-09-25 Pattern recognition prowess served our ancestors well but today we are confronted by a deluge of data that is far more abstract complicated and difficult to interpret The number of possible patterns that can be identified relative to the number that are genuinely useful has grown exponentially which means that the chances that a discovered pattern is useful is rapidly approaching zero Patterns in data are often used as evidence but how can you tell if that evidence is worth believing We are hard wired to notice patterns and to think that the patterns we notice are meaningful Streaks clusters and correlations are the norm not the exception Our challenge is to overcome our inherited inclination to think that all patterns are significant as in this age of Big Data patterns are inevitable and usually coincidental Through countless examples The Phantom Pattern Problem is an engaging read that helps us avoid being duped by data tricked into worthless investing strategies or scared out of getting vaccinations

Tescopoly Andrew Simms,2012-03-01 You can shop anywhere you like as long as it s Tesco The inexorable rise of

supermarkets is big news but have we really taken on board what this means for our daily lives and those of our children In this searing analysis Andrew Simms director of the acclaimed think and do tank the New Economics Foundation and the person responsible for introducing Clone Towns into our vernacular tackles a subject none of us can afford to ignore The book shows how the supermarkets and Tesco in particular have brought Banality homogenized high streets full of clone stores Ghost towns superstores have drained the life from our town centres and communities A Supermarket State this new commercial nanny state that knows more about you than you think Profits from poverty shelves full of global plunder produced for a pittance Global food domination as the superstores expand overseas But there s change afoot with evidence of the tide turning and consumer campaigns gaining ground Simms ends with suggestions for change and corporate reformation to safeguard our communities and environment all over the world This book has been written and published independently from the Tescopoly Alliance and is not endorsed by them
