Reality Squared James Friedman, 2002 Reality based television has come to play a major role in both production decisions and network strategy This text examines the representation of reality within the televisual viewing frame as well as the exponential growth of these programmes **Same Time, Same Station** James L. Baughman, 2007-03-26 Outstanding Academic Title for 2007 Choice Magazine Ever wonder how American television came to be the much derided advertising heavy home to reality programming formulaic situation comedies hapless men and buxom scantily clad women Could it have been something different focusing instead on culture theater and performing arts In *Same Time Same Station* historian James L.
