## **Romanian Ak 47 Manual:**

**U.S. Army Afghan National Army Infantry and Counterinsurgency COIN Manual** , Foreword This manual takes a general approach to COIN The Army recognizes that every insurgency is contextual and presents its own set of challenges You cannot fight the Taliban the way you would fight the former Soviet Union the application of principles and fundamentals to deal with each vary considerably Nonetheless all insurgencies even today s highly adaptable strains remain wars amongst the people employ variations of standard themes and adhere to elements of a recognizable revolutionary campaign plan This manual therefore addresses the common characteristics of insurgencies It strives to provide those carrying out a counterinsurgency campaign a solid foundation on which to build in seeking to understand and address specific insurgencies A counterinsurgency campaign is as described in this manual a mix of offensive defensive and stability operations conducted along multiple lines of operation It requires Soldiers to employ a mix of both familiar combat tasks and skills more often associated with nonmilitary agencies with the balance between them varying depending on the local situation This is not easy Leaders at all levels must adjust their approach constantly ensuring that their elements are ready each day to be greeted with a handshake or a hand grenade to be nation builders as well as warriors to help reestablish institutions and local security forces to assist in the rebuilding of infrastructure and basic services and to facilitate the establishment of local governance and the rule of law The list of such tasks is a long one and involves extensive coordination and cooperation with a myriad of intergovernmental indigenous and international agencies Indeed the responsibilities of leaders in a counterinsurgency campaign are daunting and the discussions in this manual endeavor to alert them to the challenges of such campaigns and to suggest general approaches for grappling with those challenges Conducting a successful counterinsurgency campaign thus requires a flexible adaptive force led by agile well informed culturally astute leaders It is our hope that this manual provides the necessary guidelines to succeed in such a campaign in operations that inevitably are exceedingly difficult and complex Our Soldiers deserve nothing less      *The Ultimate Shooting Skills Manual* John B.
