

## Toyota's Commitment to Sustainable Development

At Toyota, we are committed to sustainable development, which means we aim to create a better world for all by contributing to the environment, society, and the economy.

Our commitment is realized through our sustainable development strategy, which is based on the following three pillars:

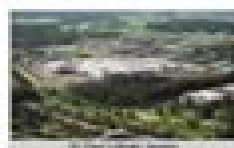

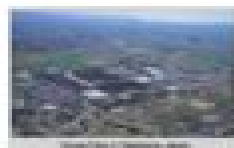

### Environment

We are committed to the reduction of CO<sub>2</sub> emissions, the use of renewable energy, and the reduction of waste. We are also committed to the reduction of water consumption and the reduction of the use of hazardous substances.

### Society

We are committed to the improvement of the quality of life for all. We are also committed to the improvement of the safety of our products and services.
