

CAPACITY LABEL AND OTHER STICKER LOCATIONS

The NMMA capacity label and various warning stickers are placed at different locations on each model for your safety. Additional warnings for fuel leakage, blower operation, and other important information will be imprinted or located on the dash. Many of these stickers and labels are not required by the U.S. Coast Guard but are important to ensure the safe operation of your Four Winns boat. In addition, the Hull Identification Number plate is pop-riveted below the deck-hull joint in the starboard aft corner.

Below are letters corresponding to the various locations for each item on the drawings. See pages 4, 5, and 6 for the actual wording of each of the various warning labels found on your boat.
